Advisory These stories are for mature audiences only and feature intensely erotic situations involving multiple men bdsm play discipline spanking humiliation public sex submissiveness and dominance All characters are 18 or older Adam has always been curious about the kink lifestyle but his exposure to it with his current partner has been a bit limited But after an eye opening experience with couple acquaintance within the scene Adam and Damien apply to become members in the highly exclusive Langston Society a BDSM network of the city s most powerful and influential men Rather than questionnaires or resumes the Langston uses only one metric to assess potential couples the worthiness of the submissive So it is that Adam finds himself standing alone before a gathering of the city s most powerful and sexually dominant men with only one task obey Lessons in Submission The First Trilogy follows Adam along the initial steps of his sexual adventure first at the hands of his partner then on the public stage of the Langston Society and finally into the house of discipline established by one of the society s most prestigious members who intrigued by Adam s charms makes a rare offer to train him personally over the course of a week Excerpt Slowly as though he could sense my impatience Jack s deep charcoal eyes turned towards me Adam he said simply I m glad you could come Master I responded eager to try the new form of address He smiled You ve heard that word have you Good We ll teach you the meaning of that word very thoroughly before you leave here A slight shiver ran down my spine God was I already getting hard He stood and walked over to me I like a new toy that arrives early in the morning he said There is so much time left in the day to try it out He laid a finger under my chin tilting my face up to meet his With a slight pressure he bid me stand and I rose to my feet my eyes never leaving his You ve been on my mind a very great deal over the past twelve hours he said to me The number surprised me Had it really only been that long I m usually such a patient man he went on sliding a finger within the neck of my shirt just brushing my skin What is it about you that so undermines my self control I trembled slightly at his touch and the tone of his voice His words were deep with intensity and yet I did not believe him for a moment when he said his self control was compromised He seemed to have so much of it that it bled over and controlled me too without him being entirely conscious of it Simply having him standing in front of me looking and touching me was enough to paralyze me until next he told me to move And all nicely wrapped he murmured I can always tell an outfit chosen with care We ll put these clothes somewhere safe for the week I wouldn t want them to wrinkle His gaze held mine as he began to strip my clothes from me A slight flush rose to my cheeks but I did not break eye contact My God he didn t beat around the bush There was the slightest hint of a challenge in his deliberate movements I am making you naked in front of me his eyes were telling me There is no secret or thought or emotion you possess that I cannot choose to uncover You walked in my door knowing who I was and what I wanted and now you will be utterly mine      *Lessons in Submission: The Second Trilogy (A Bundle of Gay Discipline and Domination)* S M Partlowe,2014-11-07 Reader Advisory These stories are for mature audiences only and feature intensely erotic situations involving multiple men bdsm play discipline spanking humiliation public sex submissiveness and dominance All characters are 18 or older Adam s first hours in his new master s

house have been intense ones but he knows they have only scratched the surface Before he has done little more than catch his breath it s time to meet the other submissives in the master s household and learn just exactly what he has gotten himself into Far from being allowed to wade in slowly Adam s initiation into this tight little community will mean getting tossed directly into the center of its many different flavors of discipline and power play By the time his first morning has come to a close he will have a lot more to think about than why there isn t a number on the mailbox Lessons in Submission The Second Trilogy follows Adam over the course of his week as a submissive in the house of discipline run by the mysterious leader of the Langston Society What begins as a hesitant experiment in the world of forbidden pleasure quickly careens into something much more serious and the promises that they would not become too attached begin to erode In the heat of the moment and the moments get very hot indeed who can say what will become possible and what will remain unattainable fantasy Excerpt I turned just enough to catch how Chris s face fell and reddened at the news I he began but trailed off Up here He drew a breath and stood The legs of his chair made a scraping sound against the hardwood of the floor and he winced Here Master repeated unsympathetically pointing to a spot at the head of the table Christopher moved into place on unsteady legs and then turned back to regard us the audience of his humiliation and punishment with that flushed face He reddened very attractively I noticed with slight envy His cheeks took on a very soft glow and his eyes stayed very round as he watched Master Tell me Master said to him as he stood at attention Tell what sir he asked Why did you fail the inspection I I don t know sir I didn t know I had until you told me You know Christopher I don t really believe you He looked at the ground flustered and stammering After a few seconds he fell silent and he closed his eyes Master watched him coolly Another moment ticked by and then he opened his eyes and raised them to meet Master s Notice This title includes themes and passages that have been adapted from Jessica Whitethread s His to Train series with full consent of the original author

Given to Olaf a giant among men, Segan is forced into a woman's dress by his captors and humiliated by the monster of a man before being carried away and made to serve the cruel and well-endowed giant. Now Segan has only two choices in front of him: fight and die or give in to the men across the sea. And when Thoric, the handsome and battle-worn leader of the raiders, claims Segan as his thrall, the choice is made harder.
