Russell,2019-08-13 Despite ongoing challenges to the criminalisation and surveillance of queer lives police leaders are now promoted as allies and defenders of LGBT rights However in this book Emma K Russell argues that the surface inclusion of select LGBT identities in the protective aspirations of the law is deeply tenuous and conditional and that police recognition is both premised upon and reproductive of an imaginary of good queer citizens those who are respectable responsible and just like their heterosexual counterparts Based on original empirical research Russell presents a detailed analysis of the political complexities compromises and investments that underpin LGBT efforts to achieve sexual rights and protections With a historical trajectory that spans the so called decriminalisation era to the present day she shows how LGBT activists have both resisted and embraced police incursions into queer space and how with LGBT support police leaders have re crafted histories of violence

as stories of institutional progress Queer Histories and the Politics of Policing advances broader understandings of the nature of police power and the shifting terrain of sexual citizenship It will be of interest to students and researchers of criminology sociology and law engaged in studies of policing social justice and gender and sexuality *Highways and Byways in Derbyshire* John Benjamin Firth,1905 **Big Bunches At The Jam Factory** Keith Paulusse,2017-08-31 The early 1980s witnessed the rise of a devastating disease that would kill millions worldwide including thousands of young gay men what would become known as the HIV AIDS epidemic In those dark days Keith Paulusse transformed his South Yarra flower shop Big Bunches into a pioneering refuge and community for young gay men their loved ones and families Paulusse promised his friends that their journeys would not soon be forgotten Big Bunches at the Jam Factory is their tale a chronicle of the personalities and events that made Big Bunches a vibrant hub of community activism spirit and perseverance It is also a tale of Paulusse s own travels both physically and emotionally from San Francisco in the heady days of the HIV AIDS crisis to the bedsides of dying friends back in Melbourne *A Companion to Australian Literature Since 1900* Nicholas Birns,Rebecca McNeer,2007 A fresh twenty first century look at Australian literature in a broad inclusive and multicultural sense **The Ultimate Film Festival Survival Guide** Chris Gore,2004 Chris Gore reveals how to get a film accepted and what to do after acceptance from putting together a press kit to putting on a great party *The Advocate* ,2002-09-03 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States **A Companion to Film Theory** Toby Miller,Robert Stam,2008-06-09 This volume of specially commissioned work by experts in the field of film studies provides a comprehensive overview of the field Its international and interdisciplinary approach will have a broad appeal to those interested in this multifaceted subject Provides a major collection of specially commissioned work by experts in the field of film studies Represents material under a variety of headings including class race gender queer theory nation stars ethnography authorship and spectatorship Offers an international approach to the subject including coverage of topics such as genre image sound editing culture industries early cinema classical Hollywood and TV relations and technology Includes concise chapter by chapter accounts of the background and current approaches to each topic followed by a prognostication on the future Considers cinema studies in relation to other forms of knowledge such as critical studies anthropology and literature **Acts of Love and Lust** Lisa Featherstone,2014-10-02 The past six decades have seen astonishing changes in the construction of sexuality as an apparatus of knowledge and as a lived experience Australia like much of the West has undergone a veritable sexual revolution in attitudes and behavior From early sex therapy to gay marriage the juggernaut of late modern sexuality has significantly remade Australian social and cultural life This collection brings together the work of leading historians of sexuality to consider sixty years of remarkable sexual and social change Acts of Love and Lust explores the ways both heterosexuality and homosexuality were constructed by the state through sex education in medicine by the law political

activists and in the hands of the media Just as importantly contributors consider the ways sexuality was experienced not as a monolithic or imposed institution but how it was explored and enjoyed by individual bodies across different times and spaces The authors examine the pleasures and pains of living in sexual bodies and explore the manifest ways that love and lust shaped Australia s society and culture Historical Dictionary of Australia Norman Abjorensen,James C.
