**The Sugar Masters** Richard Follett,2007-02-01 Focusing on the master slave relationship in Louisiana s antebellum sugarcane country The Sugar Masters explores how a modern capitalist mind set among planters meshed with old style paternalistic attitudes to create one of the South s most insidiously oppressive labor systems As author Richard Follett vividly demonstrates the agricultural paradise of Louisiana s thriving sugarcane fields came at an unconscionable cost to slaves Thanks to technological and business innovations sugar planters stood as models of capitalist entrepreneurship by midcentury But above all labor management was the secret to their impressive success Follett explains how in exchange for increased productivity and efficiency they offered their slaves a range of incentives such as greater autonomy improved accommodations and even financial remuneration These material gains however were only short term According to Follett many of Louisiana s sugar elite presented their incentives with a facade of paternal reciprocity that seemingly bound the slaves interests to the apparent goodwill of the masters but in fact the owners sought to control every aspect of the slaves s lives from reproduction to discretionary income Slaves responded to this display of paternalism by trying to enhance their rights under bondage but the constant bargaining process invariably led to compromises on their part and the grueling production pace never relented The only respite from their masters demands lay in fashioning their own society including outlets for religion leisure and trade Until recently scholars have viewed planters as either paternalistic lords who eschewed marketplace values or as entrepreneurs driven to business success Follett offers a new view of the sugar masters as embracing both the capitalist market and a social ideology based on hierarchy honor and paternalism His stunning synthesis of empirical research demographics study and social and cultural history sets a new standard for this subject      **Gay and Lesbian Politics** Mark Blasius,1994 An active participant in and theorist of the gay and lesbian movement Mark Blasius contends that being gay or lesbian is by definition political By extension the phenomenon of a movement founded on collective identity is a quintessential part of American politics The continually rising public consciousness of the needs and interest of gays and lesbians provides Blasius with a vehicle for showing how a particular aspect of human life comes to assume political dimensions Upon this premise he analyzes the process of how power is exercised through sexuality and traces the historical conditions that have made possible a gay and lesbian politics Drawing on works of political philosophy

social science including Foucault and gay and lesbian studies Blasius explores the invention of a gay and lesbian ethos through which participation even for apolitical gays and lesbians goes beyond a shared culture and perspective It is a way of life more encompassing than either sexual orientation or lifestyle alone Though he acknowledges and reflects upon the divergent range of gay and lesbian experiences Blasius provides a framework based on theories of power sexuality and ethics that elaborates the significance of the movement as a whole within contemporary society Author note Mark Blasius Associate Professor of Political Science at City University of New York LaGuardia is the co author of *We Are Everywhere An Historical Sourcebook in Gay and Lesbian Politics*      **The Sexual Outlaw** John Rechy,1989 In this angry eloquent outcry against the oppression of homosexuals the author of the classic *City of Night* gives an explosive non fiction account with commentaries of three days and nights in the sexual underground of Los Angeles in the 1970s the battlefield of the sexual outlaw Using the language and techniques of the film Rechy deftly intercuts the despairing joyful and defiant confessions of a male hustler with the chorus of his own subversive reflections on sexual identity and sexual politics and with stark documentary reports our society directs against homosexuals the only minority against whose existence there are laws      *Rough and Raw* Chris Johns,2015-01-02 Do you have a creative imagination and are into master and slave role playing Then this book will suit your choice of entertainment WARNING Not for the faint of heart This compilation contains lots of man to man sex gay romance and lots of erotic scenes Read at your own risk In *More Than A Friend* Matt never thought what to expect after he was abducted to be straightened out But when he meets his master Sky everything in him softens and he starts to fall in love with the man who was tasked to discipline him and inflict pain Nick learns this the hard way when the contract he signs to eliminate his gambling debts turns him into the star and slave of handsome pornography mogul Steve Leandros Things go from bad to worse when Nick lands in the hospital after suffering from his customer s cruel abuse leading Nick s strict wealthy parents to discover what their son has been up to in college Will Nick ever regain his self confidence after his devastating trauma Max neglects Ralph s warning and goes to the wrong side of the Pacific Beach He falls into a trap and becomes a slave to four guys Luckily he is saved by Kolby And together they discover true salvation by each other s company There is a place where bad boys go to and that is Boy Island Topha expects breeze and sunshine where he can relax and have fun in an unfamiliar place But he is in for a real surprise Roughed up lips and a swollen hole later Topha feels like giving up But he meets some boys who make the island experience worth it making it more pleasurable than his first few experiences Nick is a tough guy and a ladies man He always has more than his fair share of girls But things start to change when he meets Cass Nick can t explain the heightened pleasure he gets when Cass jacks him off Then out of the blue Nick suggests that they do a Role Play he be the Master and Cass be the Slave It s an interesting agreement      *Taboo Village: A Perspective On Being Gay In Black America* Sampson McCormick,2010 Being an open and self affirming African American homosexual man or woman in many ways challenges the notion that you cannot live without overcoming certain struggles

that exist in society religion family and self This book seeks to address those issues and affirm all readers      **The Deep Psychology of BDSM and Kink** Douglas Thomas,2023-09-20 This fascinating volume investigates how the concept of soul is connected to BDSM and kink exploring the world of alternative sexualities through the psychology of C G Jung and James Hillman as readers are guided on a provocative and lively journey through darker aspects of the sexual imagination Contextualized both in sexual history and contemporary events the book unveils surprising points of correspondence between the tortured fantasy images of Jung s The Red Book and the modern world of BDSM and describes from Hillman s psychology a soul centered perspective that affirms the psychological value of fantasy images animating our human lives The book also considers the collective archetypal sources of historical trauma which have provided inspiration to some of the more disquieting aspects of BDSM and details how the deep psychology of BDSM creates a space in the modern world to ethically engage these practices Kinksters and BDSM practitioners will discover a psychological language that clarifies and affirms why these activities and relationships can be so intensely intimate pleasurable and transformative Psychotherapists and enthusiasts of Jungian and archetypal psychology will find fresh insights here that support the practice of BDSM as a form of individuation and a path for bringing soul into the world      **Can You Be Gay and Christian?** Michael L. Brown,2014-05-06 The question of how the church deals with homosexuality has become the great moral and spiritual issue of this generation How do we respond to gay people who tell us how much they love the Lord and experience God s power How do we answer them when they say that the greatest law is the law of love and that love requires us to embrace them as they are What do we do with the argument that the Old Testament laws such as the prohibition against homosexuality and the dietary laws no longer apply Gay and Christian will provide solid biblical answers clearly written and based on sound scholarship in a compassionate way that causes the reader to wrestle with the issues and discover the biblical truth The book also provides practical guidelines for ministry and shows readers how they can resist the gay agenda while reaching out to their gay friends and family      *Georgia Women* Ann Short Chirhart,Betty Wood,2009 This first of two volumes extends from the founding of the colony of Georgia in 1733 up to the Progressive era From the beginning Georgia women were instrumental in shaping the state yet most histories minimize their contributions The essays in this volume include women of many ethnicities and classes who played an important role in Georgia s history Though sources for understanding the lives of women in Georgia during the colonial period are scarce the early essays profile Mary Musgrove an important player in the relations between the Creek nation and the British Crown and the loyalist Elizabeth Johnston who left Georgia for Nova Scotia in 1806 Another essay examines the near mythical quality of the American Revolution era accounts of Georgia s War Woman Nancy Hart The later essays are multifaceted in their examination of the way different women experienced Georgia s antebellum social and political life the tumult of the Civil War and the lingering consequences of both the conflict itself and Emancipation After the war both necessity and opportunity changed women s lives as educated white women like Eliza

Andrews established or taught in schools and as African American women like Lucy Craft Laney who later founded the Haines Institute attended school for the first time Georgia Women also profiles reform minded women like Mary Latimer McLendon Rebecca Latimer Felton Mildred Rutherford Nellie Peters Black and Martha Berry who worked tirelessly for causes ranging from temperance to suffrage to education The stories of the women portrayed in this volume provide valuable glimpses into the lives and experiences of all Georgia women during the first century and a half of the state's existence Historical figures include Mary Musgrove Nancy Hart Elizabeth Lichtenstein Johnston Ellen Craft Fanny Kemble Frances Butler Leigh Susie King Taylor Eliza Frances Andrews Amanda America Dickson Mary Ann Harris Gay Rebecca Latimer Felton Mary Latimer McLendon Mildred Lewis Rutherford Nellie Peters Black Lucy Craft Laney Martha Berry Corra Harris Juliette Gordon Low **THE WORKS** WILLIAM E.
