Genesis Sister Christian 1:

The Christian's Armoury William Robert Bradlaugh, 1900 **Patterns of Destiny** Diane M. Sharon, 2002-06-30 Diane Sharon uses the tools of structuralist literary criticism to uncover social and theological patterns in biblical literature She provides a brief framework for understanding the approach used in her study then demonstrates that the notion of destiny specifically the ideas of establishment foundation and condemnation doom are embedded in narrative that includes an eating and drinking event Sisters in Spirit Maureen Ursenbach Beecher, Lavina Fielding Anderson, 1987 This book of essays about Mormon women all written and edited by scholars who are themselves Mormon women is a brave and important work Readers will fully appreciate just how brave and important it really is however if they can see how this work of historical theology fits into the history of historical writing about Mormon women as well as how it fits into Mormon history itself The women who contributed to this book are among the best of the Mormon literati they hold that there is hope within the church for change for reform for expansion of the place of women Women's Review of Books Historians of women in America have a great deal to learn from the history of Mormon women This fine set of essays provides an excellent introduction to a subject about which we should all know more Anne Firor Scott author of Making the Invisible Woman Visible **Ellicott's Bible Commentary, Volume 1** Ellicott, Charles, 2015-10-29 rote this exceptional Bible commentary to be used for Pastors and Students It is written to be explained rather than to be technical so that as to reach all English readers Charles Ellicott focuses on the English explanation rather than the Greek and addresses the expository side less than the technical since this does not contain Greek words or terminology Dr Charles Ellicott assembled and edited this commentary utilizing 28 different authors including Rev Payne Smith Rev C J Elliott and Rev C H Waller This is a must have for anyone desiring a greater understanding of the Bible as a whole The scripture and commentary are on the same page making it easy to read and understand This commentary is one that you will treasure in your library and you will not want to let this one pass you by

God's Divorce Colin Hamer, 2019-02-15 In this simple yet profound study Colin Hamer shows the reader that the Bible is the dramatic story of two marriages and two divorces God's relationship with humanity from the Garden of Eden to the end of time mirrors a marriage relationship and the gospel is an offer by the Bridegroom Messiah of a final reconciliation and a new marriage for all those who come to the marriage supper of the Lamb Only once we understand these biblical references to God's own marriage to his people can we understand New Testament teaching about human marriage divorce and remarriage God's Divorce unpacks in easy to follow terms the findings of Colin Hamer's widely acclaimed and ground breaking PhD Marital Imagery in the Bible Apostolos 2015 which re-examined the New Testament's teaching on divorce and remarriage in light of recently discovered documents from New Testament times The result is an understanding that has eluded the church since early post apostolic times The Only Way to Eternal Life Chaikou Bah, 2006-08 The author a physician embarks on a quest for the meaning of life and finds it unexpectedly in sunny Bermuda amidst a troubling world of

questionable professional ethics and entrenched discrimination Practical Life **40 Questions About Creation and Evolution** Kenneth D. Keathley, Mark F. Rooker ,2014-10-10 Biblically and scientifically informed answers to pressing questions about the creation evolution debate This accessible volume evenly addresses the issues of modern science and the scriptural texts The conservative evangelical authors are well informed on contemporary scientific views of the universe and also carefully exegete the biblical texts that pertain to creation They irenically consider the various angles of the debate and make constructive suggestions to reconcile science and the Bible Those who are curious about the origins of life and the universe will want to read this book Seminary students and serious college students will find this information critical as an understanding of creation is vital to an effective apologetic in sharing the faith *Atonement and Ethics in 1 John*

Christopher Armitage,2021-06-17 Christopher Armitage considers previous theological perception of 1 John as a text advocating that God abhors violence contrasted with biblical scholarship analysis that focuses upon the text's birth from hostile theological conflict between insiders and outsiders with immensely hostile rhetoric directed towards antichrists and those who have left the community Armitage argues that a peace oriented reading of 1 John is still viable but questions if the commandment that the community loves each other is intended to include their opponents and whether the text can be of hermeneutic use to advocate non violence and love of one's neighbour This book examines five key words from 1 John hilasmos sfazo anthropoktonos agape and adelphos looking at their background and use in the Old Testament in both Hebrew and the LXX arguing that these central themes presuppose a God whose engagement with the world is not assuaging divine anger nor ferocious defence of truth at the expense of love but rather peace and avoidance of hatred that inevitably leads to violence and death Armitage concludes that a peacemaking hermeneutic is not only viable but integral to reading the epistle

The Body God Gives Robert S. Smith,2025-02-19 What is the relationship between sex and gender Understand society's shifts in thinking and talking about sex and gender Discover how biological sex guides gender Recognize how the Bible speaks to gender and transgender Respond to affirming interpretations of Scripture Answer gender confusion with clarity and compassion In *The Body God Gives A Biblical Response to Transgender Theory* Robert S Smith argues that God intends a person's gender to be grounded in the reality of his or her biological sex the body God has given In making his case Smith critiques the central claim of transgender theory that the sexed body does not determine the gendered self He also evaluates contemporary changes in thought and speech about sex and gender responding to modern confusion

with biblical conviction and compassion God speaks clearly both in his word and in his world
