Plus, get access to bonus online content and links to dozens of resources and tutorials. Whether you're a current advertiser or new to AdWords, the Ultimate Guide to Google AdWords is a necessary handbook. **Global Brand Management**

Laurence Minsky, Ilan Geva, 2019-11-03 In today's hyper-connected world, any brand with a website or digital presence is global by its very definition. Yet in practice, it takes an enormous amount of strategic planning and adaptability to successfully manage an international brand. Global Brand Management explores the increasingly universal scope of brand management. In an era when many brand managers will find themselves working for large multinationals operating across varied territories, categories, and consumer groups, developing an understanding of both the opportunities and risks of multinational brands is truly essential. Meticulously researched, Global Brand Management shows readers how to manage an existing global brand while simultaneously equipping them with the skills to build one from scratch. The text uses fascinating case studies, including Oreo, Harley Davidson, and Xiaomi, to demonstrate the challenges of maintaining a stable brand identity when operating across territories with different languages, cultural values, and logistics. With helpful pedagogy throughout and built-in features to enhance classroom learning, Global Brand Management is the perfect springboard for students to appreciate, enjoy, and embrace the nuances and complexities of brand management on an international scale. **Branding Your Products 2025: Complete Guide to Private Label Success for Beginners**
