**Preaching** Donald Capps, 2003-07-29 Does counseling affect preaching Does preaching affect counseling Donald Capps offers a perceptive examination of how counseling and preaching do influence each other and how both can be improved when one realizes the close relationship between them Not only can preaching profit from pastoral counseling writes Capps but pastoral counseling also has much to gain from preaching He discusses the common features of the sermon and the counseling session how counselors can proclaim the gospel message through their counseling and how preachers can counsel through their sermons Using actual counseling cases and sermons by well known authorities Capps demonstrates how the gospel can better be served when preaching and counseling are brought closer in concept method and practice Pastoral Counseling and Preaching a valuable resource in bringing about a fuller more integrated understanding of the Christian ministry

**Youthful Preaching** Richard Voelz, 2016-01-21 What if adolescents aren't bored with preaching What if they have and are interacting with preaching in complex various ways that have escaped the attention of adult listeners and preachers What if their own preaching informed the ways adults think about Christian faith and theories practices of preaching While much recent discussion in preaching revolves around underrepresented groups the relationship between adolescent youth and preaching remains largely unexplored Youthful Preaching brings youth into contemporary conversations about preaching by listening to their voices and by advocating for communities of faith and practice to seek ways to reimagine renew and strengthen the relationships between youth adults and preaching Lament-Driven Preaching

Lament-Driven Preaching Eliana Ah-Rum Ku, 2024-03-04 This book challenges Christian communities to engage in lament a mode of existence characterized by impassioned expression witnessing and personal or social protest in the face of evil and injustice reflecting a profound yearning for God's saving presence Divine lament responds to and expresses solidarity with human suffering unveiling multiple facets of God's image and demonstrating a profound sense of divine compassion Drawing on the Book of Lamentations Korean concepts related to suffering han and hanpuri the Paschal Triduum narratives and recent homiletic discourses on suffering the author investigates how complex issues related to grief and hope can be addressed in preaching without diminishing the harsh reality of affliction Designed to assist preachers this book encourages a more intentional approach to addressing suffering specifically by advocating for lament as a transitional space between affliction and hope Furthermore readers are invited to contemplate the significance of the church which within a world in decline embodies the body of Christ manifesting both the demise and resurrection of God

**Global Pentecostal and Charismatic Healing** Candy Gunther Brown, 2011-02-24 Pentecostal and Charismatic Christianity is a global phenomenon that comprises a quarter of the world's two billion Christians and is growing rapidly This volume reveals that the primary appeal of pentecostalism worldwide is as a religion of healing Contrary to popular stereotypes of flamboyant fraudulent anti medical faith healing televangelists who preach a materialistic health and wealth gospel handle serpents or sensationally exorcize demons this book offers a more nuanced portrait The collected essays illumine local variations hybridities and tensions in practices on six

continents and depict the extent of human suffering and powerlessness experienced by people everywhere and the attractiveness to many of a global religious movement that promises material relief by invoking spiritual resources This is the first book of its kind Achieving the twin goals of thick description and comparative analysis of global practices is best achieved by bringing area experts into conversation This volume's distinguished international team of contributors includes sociologists anthropologists historians political scientists theologians and religious studies scholars from North America Europe and Africa Read together these essays set the agenda for a new program of scholarly inquiry into some of the largest forces of change at work in the world today globalization pentecostalism and healing each of which is extremely powerful in itself and which together are reshaping our world in vastly significant ways

**Biblical Principles of Prayer** Joel Church, Joel Philip Church, 2005-04 Biblical Principles of Prayer challenges you to experience new levels of prayer that will affect every area of your life Living a life conducive to receiving means laying aside personal desires and egotistical values that are in direct contrast with His will The church that prays There are about 25 000 denominations every one of them believing that they have the right answer and the most accurate hermeneutics Prayer and the Bible the pioneers of modern science modern science is thousands of years behind when it comes to the issue of health The issue of prayer in school Christians are quick to jump on the prayer in school bandwagon but do you really want it back as it was Biblical Principles of Prayer will compel you to revisit the way you pray It will show you how to have dunamis dynamite power in your prayers Have you ever wanted to be a pray er who really sees results Dr Church who in 1998 was healed from a very rare type of cancer understands what it means to appreciate authoritative prayer Buzz words and powerless mechanical discourses are of little value when you are facing death

**Christianity in Crisis** Hank Hanegraaff, 2012-06-18 Nearly two decades ago Hank Hanegraaff's award winning Christianity in Crisis alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten to do more damage than the last These are not obscure teachers that Hanegraaff unmasks We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen Christianity in Crisis 21st Century exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into

cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas      *Catastrophe Theology* Francis Kai,2017-05-15 The Catastrophe Theology is a theology learned by Francis Kai throughout the years he was thrown into the Valley of Achor Although he had been a Catholic from ten years old Francis did not know to receive grace from God in deep suffering when his wife Martha was diagnosed with brain cancer During his search for spiritual help Francis discovered Martin Luther was the first theologian to preach suffering Luthers doctrine of justification by faith alone is the doctrine of salvation by grace alone through faith alone Grace is the free gift of God to mankind A Christian must learn the way to receive grace through his faith in Christ Francis learned to receive grace by learning Luthers teaching Submit totally to God He was transformed from living his church life to Christian life God calls us to bear great fruit for his glory in this suffering world Francis learned the verse of John 14 12 from Pastor Scott Scruggs to do greater things than Jesus by telling his readers about the theology of suffering A church that does not preach suffering is not Gods church Francis learned to be a godly man from living a life in doctrine      **The Plain Truth about the Unorthodox Protestants** Armando Ang,2004      **Children in the Hands of a Mighty Mom** Susie Stone,2007-11 Are you tired of feeling weak and helpless Are your children driving you mad Do people run you over or do you run over people Do you just need a break or do you know someone who could use a break Susie Stone s insightful true story Children in the Hands of a Mighty Mom will set you on a course of strength wisdom and pure enjoyment as you discover how to experience the very best of times the very best of childhood behavior everyday no matter the circumstances Really Children in the Hands of a Mighty Mom will help you to become rooted and grounded in the life preserving virtue of what it means to be a true loving person parent or spouse true to yourself true to God and your precious family Learn to soar with the eagles the real posture and position for families      **Perspectives in Pentecostal Eschatologies** Peter Althouse,Robby Waddell,2010-09-08 During the mid twentieth century Pentecostal theology was co opted by fundamentalism and its dispensational brand of millennial eschatology Fundamentalist dispensationalism not only reinterpreted the original Pentecostal vision of the latter rain outpouring of the Spirit in the last days but undercut its raison d etre as a people empowered by the Spirit of Pentecost to participate in the kingdom of God Yet eschatology is much broader than twentieth century dispensationalism and Pentecostal eschatology is diverse reflecting the diversity of Pentecostal and Charismatic spiritualities There is no one Pentecostal eschatology but many Pentecostal eschatologies This collection of essays from established scholars and rising stars offers fresh perspectives in eschatology for the Pentecostal and Charismatic movements The fresh readings of eschatology in this volume are valuable because they demonstrate that Pentecostals no longer need to look to others to interpret their theology for them but can stand as scholars and thinkers in their own right      *You're Born an Original--Don't Die a Copy* John Mason,2011-11 Orignainally published Altamonte Springs Fla Insight International c1993      Doors Sister Raphael SLG,2023-01-25 Fairacres Publications 199 Through writing

gathered over a lifetime of meditation on doors as ways into the understanding and fulfilment of a Christian life Sister Raphael SLG guides us gently to an understanding that every aspect of life can be a door into the Love of God and an opportunity for prayer reflection and spiritual growth This is a collection of thoughts and quotations for every situation for everyone who is looking for a sympathetic and thoughtful support for their daily spiritual life or for a series of meditations to use on retreat

*The Prosperity Gospel in Africa* Marius Nel, 2020-06-15 Africans prevailing interest in the prosperity gospel is not only connected to the influence of American prosperity teachers reaching a worldwide audience through their imaginative use of the media but is also related to the African worldview and African traditional religion and its lasting influence on contemporary Africans and the way they think about prosperity as well as their interest in prosperity in post colonial Africa The research from a classical Pentecostal perspective about the impact of the prosperity message on Africa is necessary timely and relevant because of its influence in the African Pentecostal movement and its potential to harm the faith of believers leading to the potential disillusionment of Christian believers who put their trust and money in formulas and recipes that seemingly only work for others especially the prosperity leaders who lead by example with incredulous riches and wealth

*A Sincere and Pure Devotion to Christ (Vol. 2, 2 Corinthians 7-13)* Sam Storms, 2010-01-26 Paul's affection for the Corinthian church and his endurance through hardship for their joy testifies to his deep devotion to Christ Paul's example and instruction in this letter inspires us to find our joy in Jesus In this second volume of *A Sincere and Pure Devotion to Christ* Storms provides readers with fifty daily meditations on this great epistle that are both accessible and substantive His analysis and application of the biblical text make these meditations suitable for private devotions or small group studies or as a commentary for Bible study Sunday School lessons or sermon preparation

*The Worldview of the Word of Faith Movement: Eden Redeemed* Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright's model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement's narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism
