Hillsong Bible Study Guide:

SCM Studyguide: Liturgy, 2nd Edition Stephen Burns, 2018-09-07 The SCM Studyguide Liturgy 2nd Edition is an introduction to liturgy that considers the basic building blocks needed to grasp the subject area. It outlines the essential shape and content of Christian worship and explores a range of liturgical dynamics of which both students of liturgy and leaders of liturgy need to be aware. This 2nd edition of the popular Studyguide is fully revised, updated, and expanded. The book takes account of new developments in scholarship, engages with new contexts for liturgical celebration, notably fresh expressions, as part of a mixed economy of church, encompasses recent revisions in liturgy, and seeks to broaden the engagement beyond the British context to consider the wider global context. Allen, 2012-11-05 What are you chasing? Through deep Bible study and practical exercises with Jennie Allen, discover that God has carved out a space in each of us that only he can fill. Are you doing everything right but still feel empty? Are you so busy doing things for God and everyone else that you altogether miss him? Do you ever in your busy life stop and see him really see him? Jennie Allen once felt paralyzed in her relationship with God. It occurred to her that maybe she was chasing the wrong things. Maybe God was after something else. When she stumbled across the phrase in 1 Samuel 13, "David was a man after God's own heart," she was intrigued. She knew David was both completely broken and completely sold out for God. David's life shatters our ideas of what God wants from us. In *Chase*, Jennie shows us a man who spent his life chasing after God, which points to several things we shouldn't be chasing: Don't chase self-worth by achieving more. Don't chase freedom by protecting yourself. Don't chase approval by being moral. Don't chase satisfaction by rebelling. Don't chase fulfillment. Chase God. Whether you're running from God or working your tail off to please him, David's journey will challenge your view of God. He is the only thing we can chase that won't leave us feeling more empty. The *Chase Study Guide* uses project stories and Bible study in the life of David to engage the mind and heart. Designed for use with the *Chase Video Study* 9780529104342, sold separately.

Maybe you've been whiplashed by an unexpected crisis. Or fear has gripped you, causing you to bury your dreams. Inside Evangelicalism Mark Ward Sr.,2024-12-15 In *Inside Evangelicalism* Mark Ward Sr combines ethnographic autoethnographic and sociolinguistic research to identify and analyze white evangelicals distinctive culture and speech code from a perspective rooted deeply in both communication studies and the evangelical community The Bible emerges as evangelicalism s one dominant symbol that unifies all meaning and divides the world into a cosmic dualism between secular humanism and an all encompassing biblical worldview The associated language of literalism drives evangelical culture cognition and identity creating a system of ordered social relations enacted through patriarchy anti intellectualism authoritarianism and white Christian nationalism Ward s positionality as both an ethnographer of religious communication

who has observed white evangelical culture for two decades and a self identified evangelical for four decades makes him uniquely qualified to cast an insider s critical yet balanced eye on conservative white Christian culture Inside Evangelicalism complements existing scholarship within anthropology and sociology where evangelicalism has been studied in conjunction with the rise of the Religious Right while contributing unique insights from religious communication studies The book is also a landmark in its own right a work that demonstrates the productive complementarity of ethnographic and autoethnographic research and the first study to describe evangelical culture through the ethnography of its communication **The**
