It takes a more thoughtful, or "critical" and "creative" person to see the wonder and value that is inherent in the world around us. The world is not just a place to be lived in, it is a place to be explored, to be understood, to be appreciated, and to be enjoyed. It is a place of endless possibilities, of endless wonders, and of endless beauty. It is a place that is constantly changing, and that is constantly evolving. It is a place that is full of life, and that is full of hope. It is a place that is worth living in, and that is worth loving.
