The Jews of Iran Houman M. Sarshar, 2014-09-17 Living continuously in Iran for over 2700 years Jews have played an integral role in the history of the country Frequently understood as a passive minority group and often marginalized by the Zoroastrian and succeeding Muslim hegemony the Jews of Iran are instead portrayed in this book as having had an active role in the development of Iranian history society and culture Examining ancient texts objects and art from a wide range of times and places throughout Iranian history as well as the medieval trade routes along which these would have travelled The Jews of Iran offers in depth analysis of the material and visual culture of this community Additionally an exploration of modern novels and accounts of Jewish Iranian women s experiences sheds light on the social history and transformations of the Jews of Iran from the rule of Cyrus the Great c 600 530 BCE to the Iranian Revolution of 1978 9 and onto the present day By using the examples of women

writers such as Gina Barkhordar Nahai and Dalia Sofer the implications of fictional representation of the history of the Jews of Iran and the vital importance of communal memory and tradition to this community are drawn out By examining the representation of identity construction through lenses of religion gender and ethnicity the analysis of these writers work highlights how the writers undermine the popular imagining and imaging of the Jewish other in an attempt to create a new narrative integrating the Jews of Iran into the idea of what it means to be Iranian This long view of the Jewish cultural influence on Iran s social economic political and cultural development makes this book a unique contribution to the field of Judeo Iranian studies and to the study of Iranian history more broadly

Japan's Nationalist Right in the Internet Age Jeffrey J. Hall, 2021-04-07 Japan s nationalist right have used the internet to organize offline activism in

increasingly visible ways Hall investigates the role of internet mediated activism in Japan's ongoing historical and territorial disputes. He explores the emergence of two right wing activist organizations Nihon Bunka Channel Sakura and Ganbare Nippon which have played a significant role in pressure campaigns against Japanese media outlets campaigns to influence historical memorials and campaigns to assert Japan's territorial claim to the Senkaku Diaoyu Islands. Taking a multi disciplinary approach he analyses how activists maintained cohesion raised funds held protests that regularly drew hundreds to thousands of participants and used fishing boats to land activists on disputed islands. Detailing events that took place between 2004 and 2020 he demonstrates how skilled social actors built cohesive grassroots protest organizations through the creation of shared meaning for their organization and its supporters. A valuable read both for scholars seeking insight into the dynamics surrounding Japan's history disputes and territorial issues as well as those seeking to compare Japanese right wing internet activism with its counterparts elsewhere.

Opération Crevette Les Sosnowski, Monique

Sosnowski, 2024-02-14 Freshly out from under French colonial rule in 1960 the West African nation of Dahomey now Benin became home to the largest number of coups d'état in history earning the reputation of the sick child of Africa. Country politics eventually aligned with Marxist and socialist ideologies stimulating French opposition that resulted in mercenary intervention. *Opération Crevette* Benin Mercenaries and the Survival of a New State brings together the voices of the involved mercenaries political rulers and local witnesses to reveal a struggle for power in the former French colony. *Opération Crevette* was a mercenary operation which was intended to remove Benin's eleventh president from power in the 1970s. This book analyzes the political social and economic factors that led to this operation as well as the foreign interference from nations like France and America. Les and Monique Sosnowski provide a unique perspective of international politics exposing French instigated military intervention and the immense influence Western nations have played in shaping the Africa we know today.
