

MARK SCHEME for the November 2005 question paper

HISTORY

0470/04 (Alternative to Coursework)

(Paper 4)

maximum raw mark: 50

This mark scheme is published as an aid to teachers and students, to indicate the requirements of the examination. It shows the basis on which Examiners were asked to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began. Any substantial changes to the mark scheme that arise from these discussions will be recorded in the published Report on the Examination.

All Examiners are instructed that alternative correct answers and unexpected approaches in candidates' scripts must be given marks that fairly reflect the relevant knowledge and skills demonstrated.

Mark schemes must be read in conjunction with the question paper and the Report on the Examination.

The minimum marks in these schemes are needed for various grades were previously published with these mark schemes, but are now instead included in the Report on the Examination for this session.

CIE will not enter into discussion or correspondence in connection with these mark schemes.

CIE is publishing the mark schemes for the November 2005 question papers for most IGCSE and AS/A2, Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.

International Surrogacy as Disruptive Industry in Southeast Asia Andrea Whittaker,2018-12-03 During the last two decades a new form of trade in

commercial surrogacy grew across Asia Starting in India a disruptive model of surrogacy offered mass availability rapid accessibility and created new demands for surrogacy services from people who could not afford or access surrogacy elsewhere In *International Surrogacy as Disruptive Industry in Southeast Asia* Andrea Whittaker traces the development of this industry and its movement across Southeast Asia following a sequence of governmental bans in India Nepal Thailand and Cambodia Through a case study of the industry in Thailand the book offers a nuanced and sympathetic examination of the industry from the perspectives of the people involved in it surrogates intended parents and facilitators The industry offers intended parents the opportunity to form much desired families but also creates vulnerabilities for all people involved These vulnerabilities became evident in cases of trafficking exploitation and criminality that emerged in southeast Asia leading to greater scrutiny on the industry as a whole Yet the trade continues in new flexible hybrid forms involving the circulation of reproductive gametes embryos surrogates and ova donors across international borders to circumvent regulations The book demonstrates the need for new forms of regulation to protect those involved in international surrogacy arrangements

Republic of Detours Scott Borchert, 2025-09-23 A New York Times Book Review Editors Choice Winner of the New Deal Book Award An immersive account of the New Deal project that created state by state guidebooks to America in the midst of the Great Depression and employed some of the biggest names in American letters The plan was as idealistic as it was audacious and utterly unprecedented Take thousands of hard up writers and put them to work charting a country on the brink of social and economic collapse with the aim of producing a series of guidebooks to the then forty eight states along with hundreds of other publications dedicated to cities regions and towns while also gathering reams of folklore narratives of formerly enslaved people and even recipes all of varying quality each revealing distinct sensibilities All this was the singular purview of the Federal Writers Project a division of the Works Progress Administration founded in 1935 to employ jobless writers from once bestselling novelists and acclaimed poets to the more dubiously qualified The FWP took up the lofty goal of rediscovering America in words and soon found itself embroiled in the day s most heated arguments regarding radical politics racial inclusion and the purpose of writing forcing it to reckon with the promises and failures of both the New Deal and the American experiment itself Scott Borchert s *Republic of Detours* tells the story of this raucous and remarkable undertaking by delving into the experiences of key figures and tracing the FWP from its optimistic early days to its dismemberment by the House Committee on Un American Activities We observe notable writers at their day jobs including Nelson Algren broke and smarting from the failure of his first novel Zora Neale Hurston the most widely published Black woman in the country and Richard Wright who arrived in the FWP s chaotic New York City office on an upward career trajectory courtesy of the WPA Meanwhile Ralph Ellison Studs Terkel John Cheever and other future literary stars found encouragement and security on the FWP payroll By way of these and other stories Borchert illuminates an essentially noble enterprise that sought to create a broad and inclusive self portrait of America at a time when the nation s very identity and

future were thrown into question As the United States enters a new era of economic distress political strife and culture industry turmoil this book s lessons are urgent and strong The History of India, as Told by Its Own Historians Henry Miers Elliot,2013-03-21 This comprehensive eight volume collection 1867 77 includes descriptions of the texts of Islamic history translations of extracts and background information
