From Selma to Moscow Sarah B. Snyder, 2018-04-24 The 1960s marked a transformation of human rights activism in the United States At a time of increased concern for the rights of their fellow citizens civil and political rights as well as the social and economic rights that Great Society programs sought to secure many Americans saw inconsistencies between domestic and foreign policy and advocated for a new approach The activism that arose from the upheavals of the 1960s fundamentally altered U S foreign policy yet previous accounts have often overlooked its crucial role In From Selma to Moscow Sarah B Snyder traces the influence of human rights activists and advances a new interpretation of U S foreign policy in the long 1960s She shows how transnational connections and social movements spurred American activism that achieved legislation that curbed military

and economic assistance to repressive governments created institutions to monitor human rights around the world and enshrined human rights in U S foreign policy making for years to come Snyder analyzes how Americans responded to repression in the Soviet Union racial discrimination in Southern Rhodesia authoritarianism in South Korea and coups in Greece and Chile By highlighting the importance of nonstate and lower level actors Snyder shows how this activism established the networks and tactics critical to the institutionalization of human rights A major work of international and transnational history From Selma to Moscow reshapes our understanding of the role of human rights activism in transforming U S foreign policy in the 1960s and 1970s and highlights timely lessons for those seeking to promote a policy agenda resisted by the White House

The Trade Policy Review Mechanism Mathias Kende, 2018-02-09 The WTO's Trade Policy Review Mechanism which reviews the trade policies and practices of each WTO member at regular intervals is generally considered to function well In this day and age complacency is unwise Examining trade policy reviews throughout the lifetime of the TPRM this book details its evolution from Article X of the General Agreement on Tariffs and Trade to the proposed modifications resulting from the mechanism's latest appraisal examining the budgetary capabilities and technical performance of all the main entities who participate in the reviews On the basis of these considerations the author concludes that in order to remain relevant especially in times of increased global protectionism the TPRM could and should do better and provides unique and timely suggestions for reform

Bearing the Torch T.R.C. Hutton, 2023-08-18 *Bearing the Torch* stands as a comprehensive history of the University of Tennessee replete with anecdotes and vignettes of interest to anyone interested in UT from the administrators and chancellors to students and alums and even to the Vols fans whose familiarity with the school comes mainly from the sports page It is also a biography of a school whose history reflects that of its state and its nation The institution that began as Blount College in 1794 in a frontier village called Knoxville exemplifies the relationship between education and American history This is the first scholarly history of UT since 1984 T R C Hutton not only provides a much needed update but also seeks to present a social history of the university fully integrating historical context and showing how the volume's central character the university itself reflects historical themes and concerns For example Hutton shows how the school's development was hampered in the early nineteenth century by stingy state funding a theme that also appears in subsequent decades and Jacksonian fears that publicly funded higher education equaled elite privilege The institution nearly disappeared as the Civil War raged in a divided region but then it flourished thanks to policies that never could have happened without the war In the twentieth century students embraced dramatic social changes as the university wrestled with race gender and other important issues In the Cold War era UT became a successful research institution and entered into a deep partnership with Oak Ridge National Laboratories that persists to this day All the while UT athletics experienced the highs of national championships and the lows of lawsuits and losing seasons UT is a university with a universe of historical experiences The University of Tennessee's story has always been defined by inclusion and

exclusion and the school has triumphed when it practiced the former and failed when it took part in the latter Bearing the Torch traces that ongoing process richly detailing the University's contributions to what one president Joseph Estabrook called the diffusion of knowledge among the people The Routledge Companion to Gender and Borderlands Zalfa Feghali, Deborah Toner, 2024-10-23 The Routledge Companion to Gender and Borderlands maps the relationship between gender and borderlands at a global scale and sets the agenda for developing a global composite field of gender and borderlands studies This interdisciplinary collection seeks to understand the complex nexus at which gender and the borderlands intersect modelling radical relationality at epistemological ontological and activist levels Going beyond border studies frequent site at the U S Mexico Border this book examines the power relations of borderlands as they play out in influence and reflect gender dynamics Contributors draw on case studies from around the world and their chapters span diverse fields from anthropology literature and history to political science religious studies sociology and the arts The Routledge Companion to Gender and Borderlands is an indispensable resource for scholars and students engaged in border studies gender studies and the wide range of interlocking disciplines that inform and enrich these fields Chapters 1 15 and 20 of this book are freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY 4.0 license **Landscapes of Memory and Impunity** Annette Levine, Natasha Zaretsky, 2015-05-26 Winner of an Honorable Mention in the Latin American Jewish Studies Association LAJSA 2017 Book Award competition for an outstanding book on a Latin American Jewish topic in the social sciences or humanities published in English Spanish or Portuguese Landscapes of Memory and Impunity chronicles the aftermath of the most significant terrorist attack in Argentina's history the 1994 AMIA bombing that killed eighty five people wounded hundreds and destroyed the primary Jewish mutual aid society This volume edited by Annette H Levine and Natasha Zaretsky presents the first comprehensive multidisciplinary work about this decisive turning point in Jewish Argentine history examining the ongoing impact of this violence and the impunity that followed Chapters explore political protest movements musical performance literature and acts of commemoration They emphasize the intersecting themes of memory narrative and representation Jewish belonging citizenship and justice critical fault lines that frame Jewish life after the AMIA attack while also resonating with historical struggles for pluralism in Argentina *On the Edge* Robert Duck, 2015-01-22 The building of railways has had a profound but largely ignored physical impact on Britain's coasts This book explores the coming of railways to the edge of Britain the ruthlessness of the companies involved and the transformation of our coasts through
