section thoroughly to get my full message If you agree with my points great If not try to really evaluate why and see if there is anything you can do to at least understand where I am coming from when I mention the things that I do It is time for us as a people to take responsibility of our actions and better ourselves improve our image and stop being the scapegoat for problems in America It is time to stop being the nigga in America **Hoover's Handbook** Gary Hoover, Alta Campbell, Patrick J.
