Medieval Fare Martha M. Daas, 2022-09-28 Unique in its cultural and religious makeup medieval Iberia represented a crossroads of cultures This crossroads was reflected in large and small ways On a grand scale we see the convergence of intellectual ideas and great innovations in agriculture and science On a more intimate level we see an intersection of cultures as reflected in habits of consumption The acts of producing food cooking and eating demonstrate the political realities of the land at times interdependent and at times at odds Food as an archeological and anthropological tool can help us understand a particular moment in time In considering the nature of consumption we may arrive at the heart of a culture In Medieval Fare the author explores food references found in a number of medieval Iberian texts in order to expand our knowledge of daily life in the Middle Ages By examining the depiction of food and consumption this pioneering study provides insight into the cultural religious and social complexities of medieval Iberia
