How to Speak and Write Correctly Joseph Devlin, 2013-03-06 This antiquarian volume contains a comprehensive guide to speaking and writing correctly with information on grammar sentence structure writing letters common pitfalls comments on famous pieces of literature and their authors and much more Written in simple clear language and full of helpful tips and hints this text will be of considerable utility to those with a keen interest in linguistics and it would make for a worthy addition to any personal library The chapters of this book include Essentials of English Grammar The Sentence Figurative Language Punctuation Letter Writing Errors Pitfalls to Avoid Style Suggestions Slang Writing for Newspapers Choice of Words English Language and Masters and Masterpieces of Literature We are republishing this vintage book now in an affordable modern edition complete with a new prefatory biography of the author How to Speak and Write Correctly by Joseph Devlin Joseph Devlin, 2017-09-29 This is a 1910 guide for those who wish to learn how to correctly though maybe not properly create sentences use figures of speech write letters and more all while choosing the right words and doing it with style Joseph Devlin's words may not all be relevant still today but at least it sounds *How to Write and Speak Correctly* Joseph Devlin, 2006-05 This book has no pretension about it whatever it is neither a Manual of Rhetoric expatiating on the dogmas of style nor a Grammar full of arbitrary rules and exceptions It is merely an effort to help ordinary everyday people to express themselves in ordinary everyday language in a proper manner Some broad rules are laid down the observance of which will enable the reader to keep within the pale of propriety in oral and written language Many idiomatic words and expressions peculiar to the language have been given besides which a number of the common mistakes and pitfalls have been placed before the reader so that he may know and avoid them How to Speak and Write Correctly (Illustrated) Joseph Devlin, 2015-12-29 A book on improving eloquence proficiency and grammar in everyday communication *How to Speak and Write Correctly* is not a manual of the styles to use in speaking and writing nor is it a manual for grammar It is a simple useful book for helping ordinary people in effective communication It lays down and explains broad rules of communication further giving useful tips for effective communication The book also lists common mistakes in communication and offers suggestions on how best to avoid them Joseph Devlin also known as Joe Devlin 13 February 1871 18 January 1934 was an Irish journalist and influential nationalist politician He was a member of parliament MP for the Irish Parliamentary Party in the House of Commons of the United Kingdom of Great Britain and Ireland and later a Nationalist Party MP in the Parliament of Northern Ireland *How to Speak and Write Correctly* Joseph Devlin, 2018-08-06 *How to Speak and Write Correctly* Large Print By Joseph Devlin It is very easy to learn how to speak and write correctly as for all purposes of ordinary conversation and communication only about 2 000 different words are required The mastery of just twenty hundred words the knowing where to place them will make us not masters of the English language but masters of correct speaking and writing Small number you will say compared with what is in the dictionary But nobody ever uses all the words in the

dictionary or could use them did he live to be the age of Methuselah and there is no necessity for using them There are upwards of 200 000 words in the recent editions of the large dictionaries but the one hundredth part of this number will suffice for all your wants Of course you may think not and you may not be content to call things by their common names you may be ambitious to show superiority over others and display your learning or rather your pedantry and lack of learning For instance you may not want to call a spade a spade You may prefer to call it a spatulous device for abrading the surface of the soil Better however to stick to the old familiar simple name that your grandfather called it It has stood the test of time and old friends are always good friends We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience How to Speak and Write Correctly Joseph

Devlin, 2015-08-08 How to Speak and Write Correctly by Joseph Devlin M A Edited by Theodore Waters In the preparation of this little work the writer has kept one end in view viz To make it serviceable for those for whom it is intended that is for those who have neither the time nor the opportunity the learning nor the inclination to peruse elaborate and abstruse treatises on Rhetoric Grammar and Composition To them such works are as gold enclosed in chests of steel and locked beyond power of opening This book has no pretension about it whatever it is neither a Manual of Rhetoric expatiating on the dogmas of style nor a Grammar full of arbitrary rules and exceptions It is merely an effort to help ordinary everyday people to express themselves in ordinary everyday language in a proper manner Some broad rules are laid down the observance of which will enable the reader to keep within the pale of propriety in oral and written language Many idiomatic words and expressions peculiar to the language have been given besides which a number of the common mistakes and pitfalls have been placed before the reader so that he may know and avoid them The writer has to acknowledge his indebtedness to no one in particular but to all in general who have ever written on the subject The little book goes forth a finger post on the road of language pointing in the right direction It is hoped that they who go according to its index will arrive at the goal of correct speaking and writing Quicklet on Joseph Devlin's How to Speak and Write Correctly Taryn Nakamura, 2012-02-24 ABOUT

THE BOOK In the introduction to How to Speak and Write Correctly Joseph Devlin writes that his book is not a grammar manual full of rules Devlin wrote the book for ordinary people who want to speak in a proper manner Devlin writes some general guidelines for grammar and style He begins with an overview of the parts of speech and formation of sentences and

paragraphs Some of his most helpful tips are those on common pitfalls He reminds the reader that even the best writers make mistakes Using examples of famous authors mistakes Devlin shows how to avoid circumlocution split infinitives and redundancy The chapters on writing letters and writing for newspapers have obsolete information However these chapters serve as amusing artifacts of the days when calling cards were still common and women were guardians of the home MEET THE AUTHOR Taryn Nakamura was born and raised in Hawaii where she s recently returned after receiving a B A in English at Yale University As a writing concentrator at Yale she focused on fiction but as a Hyperink writer she s learned that nonfiction can also be fun In her free time she likes to run at a walking pace haunt libraries and eat pickles EXCERPT FROM THE BOOK In the simplest sentence the word order is subject verb object Longer sentences allow for other ways of arranging words The beginning and the end of sentences are the most important positions The reader pays closer attention to these parts of the sentence The end of the sentence is more significant than the beginning Do not begin or end a sentence with insignificant words Loose sentences put the main idea first and the descriptions follow Periodic sentences begin with descriptive introductions and ends with the main idea Speakers should use loose sentences to keep an audience s attention Either form can be used in writing A paragraph should be composed of sentences that illustrate the same idea Sentences should flow naturally with transitions The content should show a logical progression The first sentence introduces the main idea and the last sentence enforces it Buy a copy to keep reading **How to Speak and Write Correctly** Joseph Devlin,2003-05-01 How to Speak and Write Correctly Joseph Devlin,2010-10 It is very easy to learn how to speak and write correctly as for all purposes of ordinary conversation and communication only about 2 000 different words are required The mastery of just twenty hundred words the knowing where to place them will make us not masters of the English language but masters of correct speaking and writing Small number you will say compared with what is in the dictionary But nobody ever uses all the words in the dictionary or could use them did he live to be the age of Methuselah and there is no necessity for using them There are upwards of 200 000 words in the recent editions of the large dictiona ries but the one hundredth part of this number will suffice for all your wants Of course you may think not and you may not be content to call things by their common names you may be ambitious to show superiority over others and dis play your learning or rather your pedantry and lack of learning For instance you may not want to call a spade a spade You may prefer to call it a spatulous device for abrading the surface of the soil Better however to stick to the old familiar simple name that your grandfather called it It has stood the test of time and old friends are always good friends To use a big word or a foreign word when a small one and a familiar one will answer the same purpose is a sign of ignorance Great scholars and writers and polite speakers use simple words **How to Speak and Write Correctly** ,2015 Check out this all new How to Speak and Write Correctly Study Guide with FREE colorful infographic This is a complementary book summary based on How to Speak and Write Correctly by Joseph Devlin 1910 It is translated into 16 written languages with new 5 week learning schedule two
