Journey Towards A Preordained Time English Edition:

The End Of The Beginning Warren Murphy, James Mullaney, Richard Sapir, 2023-12-11 How does a beat cop become America's secret weapon against evil? It isn't easy. Especially after being nearly fried in the electric chair, plunged into a secret crime fighting organization called CURE, then handed over to a Korean killing machine called Chiun, the reigning master of Sinanju. But every prophecy, even one that foretells Remo Williams's future with the ancient house of assassins, has a downside, and for Chiun, it's an explosive family secret so devastating it could spell doom for the House of Sinanju. Someone's got a plan for vengeance that's a real doozy and is selling their services to the mob, racking up the body count with capo and congressmen alike. Ready or not, Remo's got his first assignment. With Chiun along to make sure he doesn't screw up, Remo's about to stop an enemy from putting Congress out of session. Permanently. Breathlessly action-packed and boasting a winning combination of thrills, humour, and mysticism, the Destroyer is one of the bestselling series of all time.

Journeys to the Planet Mars, or, Our Mission to Ento Sara Weiss, 2020-04-14 Excerpt To all who may be concerned in an endeavor to acquire information relating to affairs beyond the range of physical vision we offer for consideration what may be regarded as an incredible narrative of journeys to and explorations of the Planet known as Mars and we entreat that you shall not pass unfriendly judgment upon that which may impress you as a merely imaginative composition but which in all sincerity is a statement of facts. Desiring to as far as practicable simplify the relation of this absolutely truthful narrative of a not unexampled undertaking, I and others of the Evon thia have thought it well to present it in colloquial form as being more realistic than any other mode of expression and also we have thought it well that only a limited number of our numerous Band shall present themselves as actors in what may appear a fanciful drama.
