Legal Resistance to Autocracy Octávio Luiz Motta Ferraz, Natasha Lindstaedt, David M. Trubek, Oscar Vilhena Vieira, 2025-11-10 This book focuses on resistance to autocratization a less well researched and

understood topic than the rise of authoritarianism As the editors and authors of this book have experienced both through their academic research and personal lives in autocratizing countries autocratization does not march on unopposed Moreover resistance to autocratization has yielded results if not managing to prevent attempted coups like in Brazil and the United States at least in disturbing the path of autocratizers and leaving doors open for future reversal as in India Israel and South Africa This collection offers a contribution to this important yet neglected field from scholars of eight countries in different stages of autocratization Brazil India China Russia Israel Hungary South Africa and the United States as well as cross cutting themes on international human rights institutions sanctions the political economy of autocratization and the role of lawyers from a comparative perspective The authors include senior and rising scholars not only with academic interest and experience of the topic but also deep knowledge and intense involvement in the autocratization processes and resistance in their own countries The volume will be of interest to researchers academics and policy makers working in the areas of law political science and international relations
