Background and Introduction to Julius Caesar

This 1957 film adaptation of William Shakespeare's *Julius Caesar* is the most faithful, popular, and probably the best version. Produced by John Houseman, who also produced the 1977 Broadway version with Cassin Wiley and the Mercury Theatre, *Julius Caesar* features many actors who played their roles previously on stage. For example, James Mason had played Brutus in *Dickens* in the 1940s. John Gargalis, who plays Caesar in the film, had even played the roles of both Mark Antony and Cassius. Years later, he would play the role of Caesar himself in the 1970 film adaptation with Charlton Heston. Although many were skeptical of Marlon Brando's casting due to the slurred, mumbling roles he had played, Brando earned glowing reviews. He would later earn an Academy Award nomination for this role, the third consecutive Academy Award nomination following his performances in *A Streetcar Named Desire* and *Viva Zapata!* (Brando earned a fourth consecutive nomination the following year and finally won the Academy Award with his performance in *On the Waterfront*.) Brando's performance was so good that while filming, James Mason was convinced that Brando was stealing the audience's spotlight away from him and his character, Brutus. (who is debatably the protagonist) so Mason appealed to the director Joseph Mankiewicz, requesting that he stop Brando from dominating the film and "put the focus back where it belongs. Namely on me!" The subsequent shift in directorial attention didn't escape Brando, who threatened to walk off the film if Mankiewicz "knew one more word to Mason." Since Shakespeare adaptations rarely will sell in movie theaters, Houseman, and Mankiewicz sold their pitch to MGM based on its star names and low production costs. The sets, for example, were recycled from an MGM film made two years earlier in Rome.

MGM premiered the film in New York not in a regular cinema house but a legitimate theater for a stage play. The film received highly favorable reviews and won the Academy Award for Best Art Direction. It was nominated for several others though, including Best Actor in a Leading Role, Best Cinematography, Best Black and White, Best Music, Best Scoring of a Dramatic or Comedy Picture, and Best Picture. The film continues to hold up today where it has a 100% approval rating on Rotten Tomatoes, indicating universal acclaim. (Poster and screenshots © Metro-Childway-Mayer, 1957)
