Togi's Adventures Dr. Stacy L. M. McDonald, 2025-03-04 Togi the computer mouse dreamed of going to surf camp Togi was listening to all the latest information on surfing that Stacy was talking about to herself Togi was stoked that he would get to go surfing soon Stacy might let Togi ride on her short or longboard Stacy was researching this new group of Surfers The group was called Christian Surfers Proverbs 1 7 says If you really want to gain knowledge you must begin by having respect for the Lord Togi realized these Christian Surfers were sharing the light of God through love with others in surfing He thought surfing with these Surfers would be so cool So off to surf camp he went Togi caught a rolling wave and rode it in for a while and he tried standing up but fell after a few minutes capturing the board and pushing it back out to meet Balsa Bill Togi must have tried this mount and stood up on his surfboard for fifteen to forty five minutes Stacy reminded Togi of Galatians 6 9 Don t lose your enthusiasm for behaving correctly You will bring in the harvest at the proper time if you don t become weary Stacy told Togi to have faith and to not give up because it would take many tries to get surfing accomplished

Sigal,2013-05-13 Against all odds the International Campaign to Ban Landmines helped to enact a global treaty banning antipersonnel mines in 1997 For that achievement it was awarded the Nobel Peace Prize In this volume Leon Sigal shows how a handful of NGOs with almost no mass base got more than 100 countries to outlaw a weapon that their armies had long used It is a story of intrigue and misperception of clashing norms and interests of contentious bureaucratic and domestic politics It is also a story of effective leadership of sustained commitment to a cause of alliances between campaigners and government officials of a US senator who championed the ban and of the skilful use of the news media Despite this monumental effort the campaign failed to get the United States to sign the treaty Drawing on extensive internal documents and interviews with US officials and ban campaigners Sigal tells the story of the in fighting inside the Clinton administration in the Pentagon and within the ban campaign itself that led to this major setback for an otherwise unprecedented successful global effort Negotiating Minefields will be of interest to students and scholars of military and strategic studies and politics and international relations Travel
