Middle East Tv Guide:

TV Guide, 2006 *TV Guide ... Index*, 1978 **TV Guide** Stephen F. Hofer, 2006 This book looks at the origins and growth of television through the pages of TV Guide and covers the complete run of this American icon from the first guides in 1953 to the last issue in guide format on October 9 2005 It includes full color reproductions of every cover ever printed and is both a collector's guide with pricing included and a retrospective view of the medium **As Others See Us** Stephen Brooks, 2006-01-01 This is a gem of a book It should be read by all who care about the role of the United States in the world Graham Wilson University of Wisconsin Madison Television Across Asia Michael Keane, Albert Moran, 2003-10-16 This book explores the trade in television program formats which is a crucially important ingredient in the globalisation of culture in Asia It examines how much traffic there is in program formats the principal direction of flow of such traffic and the economic and cultural significance of this trade for the territories involved and for the region as a whole It shows how new technology deregulation privatisation and economic recession have greatly intensified competition between broadcasters in Asia as in other parts of the world and discusses how this in turn has multiplied the incidence of television format remakes with some countries developing dedicated format companies and others becoming net importers and adapters of formats

Perceptions of Palestine Kathleen Christison, 2000 A controversial book arguing that popular perceptions about Israel and the Palestinians which favor the inherent right of Jews to live in the Holy Land and ignore the Palestinian point of view have impeded a resolution to the Arab Israeli conflict All Joking Aside Rebecca Krefting, 2014-09 A professor of American Studies and stand up comic examines sharply focused comedy and its cultural utility in contemporary society Outstanding Academic Title Choice In this examination of stand up comedy Rebecca Krefting establishes a new genre of comedic production charged humor and charts its pathways from production to consumption Some jokes are tears in the fabric of our beliefs they challenge myths about how fair and democratic our society is and the behaviors and practices we enact to maintain those fictions Jokes loaded with vitriol and delivered with verve charged humor compels audiences to action artfully summoning political critique Since the institutionalization of stand up comedy as a distinct cultural form stand up comics have leveraged charged humor to reveal social political and economic stratifications All Joking Aside offers a history of charged comedy from the mid twentieth century to the early aughts highlighting dozens of talented comics from Dick Gregory and Robin Tyler to Micia Mosely and Hari Kondabolu The popularity of charged humor has waxed and waned over the past sixty years Indeed the history of charged humor is a tale of intrigue and subversion featuring dive bars public remonstrations fickle audiences movie stars turned politicians commercial airlines emergent technologies neoliberal mind sets and a cavalcade of comic misfits with an ax to grind Along the way Krefting explores the fault lines in the modern economy of humor why men are perceived to be funnier than women the perplexing popularity of modern day minstrelsy and the way identities are packaged and sold in the marketplace Appealing to anyone interested in the politics of humor and

generating implications for the study of any form of popular entertainment this history reflects on why we make the choices we do and the collective power of our consumptive practices Readers will be delighted by the broad array of comic talent spotlighted in this book and for those interested in comedy with substance it will offer an alternative punchline **Audition** Barbara Walters, 2008-05-06 1 NATIONAL BESTSELLER An inspiring and riveting memoir from the most important woman in the history of television journalism A delightful tale of the golden age of television Juicy behind the scenes details of the celebrities she s interviewed mixed in with stories of her own trials and tribulations The Washington Post After more than fifty years of interviewing heads of state world leaders movie stars criminals murderers inspirational figures and celebrities of all kinds Barbara Walters turns her gift for examination onto her own extraordinary life Walters was the product of a turbulent childhood that featured a glamorous father who made and lost several fortunes as well as the companionship of a mentally challenged sister Feelings of responsibility for her family played a large part in the choices she made as she grew up the friendships she developed the relationships she had the marriages she tried to make work Ultimately thanks to her drive and a decent amount of luck Walters made it to the top of a male dominated industry She was the first woman cohost of the Today show the first female network news coanchor the host and producer of countless top rated Specials the star of 20/20 and the creator and cohost of The View She has not only interviewed the world s most fascinating figures she has become a part of their world These are just a few of the names that play a key role in her life career and book Yasir Arafat Warren Beatty Menachem Begin George H W Bush George W Bush Jimmy Carter Fidel Castro Hugo Ch vez Bill and Hillary Clinton Roy Cohn the Dalai Lama Princess Diana Katharine Hepburn King Hussein Angelina Jolie Henry Kissinger Monica Lewinsky Richard Nixon Rosie O Donnell Christopher Reeve Anwar Sadat John Wayne the list goes on Barbara Walters has spent a lifetime auditioning for her bosses at the TV networks for millions of viewers for the most famous people in the world and even for her own daughter with whom she has had a difficult but ultimately quite wonderful and moving relationship This book in some ways is her final audition as she fully opens up both her private and public lives In doing so she has given us a story that is heartbreaking and honest surprising and fun sometimes startling and always fascinating **Television's Window on the World** James F. Larson, 1984 This volume examines U S network television coverage of international news based on experiences of the past decade First it describes significant patterns and trends in the international affairs content of network news during the decade from 1972-1981 including story formats visual and audio techniques and trends in the amount and nature of coverage given to nations and regions of the world Second it examines major influences that shape international news content on network television including satellite technology electronic newsgathering and the global distribution of foreign correspondents **Reassessing Orientalism** Michael Kemper, Artemy M. Kalinovsky, 2015-02-11 Orientalism as a concept was first applied to Western colonial views of the East Subsequently different types of orientalism were discovered but the premise was that these took their lead from Western style orientalism applying it in different

circumstances This book on the other hand argues that the diffusion of interpretations and techniques in orientalism was not uni directional and that the different orientologies Western Soviet and oriental orientologies were interlocked in such a way that a change in any one of them affected the others that the different orientologies did not develop in isolation from each other and that importantly those being orientalised were active not passive players in shaping how the views of themselves were developed **Quotable Perot** R. Edward Turner,2015-02-25 **The Transnational Media Corporation** Richard A.

Gershon,2013-10-18 The combination of international privatization trends coupled with advancements in computer and communication technology have transformed the conduct of international business The result has been a consolidation of players in all aspects of business including banking aviation insurance and mass media This book discusses one such player the Transnational Media Corporation TNMC Long remembered as a time of rapid growth and expansion for international business the decades of the 80s and 90s were a period characterized by major mergers and acquisitions Good examples of this include Time Inc s 1989 merger with Warner Communication for 11 2 billion and Walt Disney s 1996 purchase of Cap Cities ABC for 19 5 billion According to the late Steven Ross former co chief executive officer of Time Warner In order to succeed in business today you must be in all the major markets of the world TNMCs have indeed become salient features of today s global economic landscape This volume asks the most basic of questions What makes a global corporation global And to what extent do TNMCs affect the marketplace of ideas This book then is intended for the business professional or student who is interested in understanding the business and operations of transnational media Part I examines the regulatory and economic reasons prompting the formation of a TNMC It seeks to explain why such companies engage in direct foreign investment and further considers how transnational operations affect the development of new media products in terms of cost quality and availability The TNMC is unique among global corporations given the fact that its primary business is the creation of information and entertainment products This book also examines the highly complex relationship between TNMCs and the host nations in which they operate It further considers such specific issues as cultural trespass transborder data flow and the effects of transnational media on the marketplace of ideas Part II of this volume provides a series of case study analyses of five leading TNMCs including Time Warner Inc Sony Inc Bertelsmann AG the Walt Disney Company and News Corporation Ltd Specific attention is given to the history business philosophy and economic performance of each of these companies *Television in the Nursing Home* Wendy J Hajjar,2013-04-03 *Television in the Nursing Home A Case Study of the Media Consumption Routines and Strategies of Nursing Home Residents* is a three stage ethnographic study of media use by the elderly in long term care facilities This research concludes that watching television is the most prevalent and pervasive activity for patients Activity directors can now learn how television and media can offer diversion enhancement of personality awareness and sociability to their patients and offers suggestions on roommate coordination selection of appropriate media and communication resources Containing the latest knowledge involving communication and gerontology

Television in the Nursing Home will help you offer programs that will meet the demands of an expanding elderly population Developed as a perspective for examining patterns of social interaction Television in the Nursing Home gives suggestions on how you can use the media to create new activities for patients maximizing the television as a resource for the elderly You will gain valuable insight on proof to dispel the myth that television in long term patient care causes withdrawal and depression a breakthrough in the treatment of media and aging enhancing media based activities and the use and purchase of electronic equipment for care facilities studies on how and why television is the most accessible medium of communication information for the development of new media designed specifically for use by the elderly creation of media centered activities that recognize the potential for therapeutic use of communication technologies in the nursing home The research presented in Television in the Nursing Home establishes the fact that television consumption once thought to be problematic should be seen as desirable and necessary This important book also proves how television is a resource that provides comfort self expression and sociality This first ever study will convince you that television and media use in long term care is beneficial and essential to the wellness of your patients

The Political Economies of Media Dwayne Winseck, Dal Yong Jin, 2012-05-08 The contributors show that digital media are disrupting entire media industries but without erasing the past and insist that one media sector is not the same as the next As the title signals even in the age of convergence and remix culture different media continue to display their own distinctive political economies
