A more comprehensive discussion about the different social movements that have affected education in the past and present. Spanish Curriculum Guide Corning-Painted Post Area School

District, 1968. *Foreign Language Assessment in Grades K-8*, 1997. The annotated bibliography describes foreign language assessment instruments currently used in elementary and middle schools. The instruments are drawn from a wide variety of program models: Foreign Language in the Elementary School, FLES, middle school sequential instruction, and immersion, total two-way partial. The bibliography has six sections: assessment instruments, program evaluation instruments, classroom assessment activities, sample assessment instruments, selected related resources, and selected commercially available language tests. An index of instruments according to purpose, language, and grade level is included. Descriptions of assessment instruments and activities and sample assessments were collected from teachers, schools, school districts, state education offices, and educational research organizations. In each section, materials are listed in alphabetical order according to language. The major emphasis is on French, German, Italian, Japanese, and Spanish. Also included are Arabic, Catalan, Chinese, Chuukese, Lagoon, Gallego, Haitian Creole, Indonesian, Korean, Latin, Modern Greek, Navajo, Palauan, Pohnpeian, Portuguese, Russian, Tagalog, and Welsh. Each entry includes information on availability, current users, language, program type, intended grade level, intended test use, skills tested, test author, publications date, test cost, length, test materials format, scoring method, a description, test development, and technical information. Parallel versions in other languages and a contact person. An introductory section gives an overview of the bibliography's contents and notes on selecting an assessment instrument. MSE

**Health Framework for California Public Schools, Kindergarten Through Grade Twelve** California State Board of Education, 1994. This framework emphasizes health literacy for students, i.e., development of the knowledge, skills, and behaviors needed for healthy living. The framework defines four unifying ideas of health literacy that serve as central themes for all content areas and grade levels: 1) acceptance of personal responsibility for lifelong health; 2) respect for and promotion of the health of others; 3) an understanding of the process of growth and development; 4) informed use of health-related information, products, and services; and 5) promotion of health education supported by a comprehensive school health system and sustained by the collaborative efforts of school, family, and community. Seven chapters are organized as follows: 1) The Vision: Health Literacy, Healthy Schools, Healthy People; 2) Developing Health Literacy in the Classroom and in the School; 3
