Emotions Simplified Quot Why Pay A Shrink Quot Series:

Sustainable Human Resource Management Ina Ehnert,2009-07-07 Predictions are that sustainability becomes the next big topic for Human Resource Management after internationalization and globalization This book gives new answers to these questions How can HRM contribute to attracting developing and retaining highly qualified human resources over time How can a paradox perspective contribute to understanding and coping with paradoxical tensions How can sustainability be used as a deliberate strategy for HRM The conceptual part of the book looks at the notion of sustainability opens it up for Strategic HRM and identifies blind spots in Strategic HRM theory Paradox theory is introduced as an analytical framework for Sustainable HRM Initial suggestions are made for sustainability strategies and for coping with paradoxes and tensions The exploratory part examines how 50 European Multinationals communicate their understanding of sustainability and HRM and which HR issues and practices they are linking to the topic

Completing Your Qualitative Dissertation: A Road Map From Beginning to End Linda Dale Bloomberg,Marie Volpe,2012-04-26 Graduate students often struggle with turning qualitative research projects into a master s thesis or doctoral dissertation because the research itself is inherently messy *Completing Your Qualitative Dissertation A Roadmap From Beginning to End* Second Edition helps address that challenge Linda Dale Bloomberg and Marie Volpe have distilled decades of experience of dissertation advisement and successful doctoral defenses into this highly practical reference for graduate students They focus on finding and articulating a clear research problem purpose and questions laying out a research design that will lead to gathering the right kind of data and support the right kind of analysis and writing up and defending the study To help they provide working tools an integrative summary discussion at the end of each chapter comprehensive checklists and an annotated bibliography in each chapter

Confidence Culture Shani Orgad,Rosalind Gill,2021-12-06 In *Confidence Culture* Shani Orgad and Rosalind Gill argue that imperatives directed at women to love your body and believe in yourself imply that psychological blocks rather than entrenched social injustices hold women back Interrogating the prominence of confidence in contemporary discourse about body image workplace relationships motherhood and international development Orgad and Gill draw on Foucault s notion of technologies of self to demonstrate how confidence culture demands of women near constant introspection and vigilance in the service of self improvement They argue that while confidence messaging may feel good it does not address structural and systemic oppression Rather confidence culture suggests that women along with people of color the disabled and other marginalized groups are responsible for their own conditions Rejecting confidence culture s remaking of feminism along individualistic and neoliberal lines Orgad and Gill explore alternative articulations of feminism that go beyond the confidence imperative
