In *Prosperity Road*, America Save the Middle Class, Dr. Darryl Baker describes how we are being led down the economic pathway in a direction that's contrary to the voice of the people. This book will take you on an exciting journey through history to examine the effects of globalization and explore its modern day trajectory. An informative, carefully researched guide to understanding why America's economy is suffering, it is also a plea to not abandon hope while there are still solutions and changes to be made.
