Fraud Risk Assessment Tommie W. Singleton, Aaron J. Singleton, 2011-04-12 Praise for the Fourth Edition of *Fraud Auditing and Forensic Accounting* Tommie and Aaron Singleton have made important updates to a book I personally rely very heavily upon *Fraud Auditing and Forensic Accounting* FAFA In the newest edition they take difficult topics and explain them in straightforward actionable language All my students benefitted from reading the third edition of the FAFA to better understand the issues and area of fraud and forensic accounting With their singular focus on understandability and practicality this Fourth Edition of the book makes a

very important contribution for academics researchers practitioners and students Bravo Dr Timothy A Pearson Director Division of Accounting West Virginia University Executive Director Institute for Fraud Prevention Finally someone has written a book that combines fraud examination and forensic accounting The authors have clearly explained both in their earlier edition and now they have enhanced the first with additional materials The order in which the material is presented is easy to grasp and logically follows the typical fraud examination from the awareness that something is wrong to the court case The explanatory materials presented aid this effort by being both well placed within the book and relevant to the narrative Dr Douglas E Ziegenfuss Chair and Professor Department of Accounting Old Dominion University Fraud Auditing and Forensic Accounting is a masterful compilation of the concepts found in this field The organization of the text with the incorporation of actual cases facts and figures provides a logical and comprehensive basis for learning the intricacies of fraud examination and forensic accounting The authors successfully blend the necessary basics with advanced principles in a manner that makes the book an outstanding resource for students and professionals alike Ralph Q Summerford President of Forensic Strategic Solutions PC
