Preventing Fraud in Church Accounting Lee Ann Crockett, 2018-02-16 Is your church vulnerable to fraud One third of all congregations experience theft but researchers estimate 80 percent of cases go unreported and expect church financial fraud to reach 60 billion by 2025 Those are staggering statistics but sadly this is a common problem that most church leadership prefer to ignore Not in our fellowship they resolutely affirm However no individual is immune to temptation and studies show that the number one deterrent is fear of getting caught The vast majority 87% of the perpetrators have never been charged with fraud or embezzlement before Pastors elders and trustees have an obligation to safeguard their ministry and shepherd the flock This includes practices and procedures that prevent an easy stumble down the slippery slope of creative bookkeeping and skimming the church offering *Preventing Fraud in Church Accounting* is a quick read for busy leadership It exposes the problem and outlines the basics of the solution including options for taking action It s the perfect primer to educate the senior pastor or the young volunteer It even includes a free confidential analysis of your church s financial status quo The first step to a solution is knowledge but the education process can seem overwhelming Not with this short book It can be read together in one committee meeting and will guide leadership to Examine two major problems with pastors functioning as Chief Financial Officer Recognize three categories of fraud and how they apply to churches and nonprofits Learn the types of internal controls that will decrease the risk of theft Understand how the budget creation and review process creates accountability for ministry leaders Explore what a full accounting plan of formal financial processes and reports entails Pastors board members treasurers and anyone concerned about the safety of their ministry and mission can t afford to NOT read this book *Fraud in the Church* Prophetess Seals, 2014-11-10 This little book speaks about Fraud in the Christian Church May the Lord Christ speak to you as you read it and give you understand in what is being said Jesus Bless
