Using the following documents, you will write an essay to help explain the era in European History.

Write an essay based on the following documents and prompt. Use the side box for notes.

**1. Why did France enter a radical phase during the French Revolution? How did the Terror go against the ideals of the Revolution?**

In your response you should do the following:

- Respond to the prompt with a historically defensible thesis or claim that establishes a line of reasoning.
- Describe a broader historical context relevant to the prompt.
- Support an argument in response to the prompt using at least six documents.
- Use at least one additional piece of specific historical evidence (beyond that found in the documents) relevant to an argument about the prompt.
- For at least three documents, explain how or why the document's point of view, purpose, historical situation, and/or audience is relevant to an argument.
- Use evidence to corroborate, qualify or modify an argument that addresses the prompt.

**Document 1: Camille Desmoulins: French revolutionary leader, 1789**

"In a democracy, tho the people maybe deceived, yet they at least love virtue. It is merit which they believe they put in power as substitutes for the people who are the very essence of monarchies. The vices, corruptions, and crimes which are the diseases of republics are the very health and existence of monarchies."

**Document 2: Jean-Paul Marat: Newspaper writer 1793**

"Robe seems inclined to me with terror. He gave pain and silent for some time. This interview confirmed me in the opinion that I always had of him, that he united the knowledge of a wise senator with the integrity of a thoroughly good man and the zeal of a true patriot but that he is lacking as a politician in climate of of vision and determination."

**Document 3: Jean-Paul Marat: Newspaper writer 1793**

"I propose that the Convention shall decree complete freedom in the expression of opinion, so that I may send to the scaffold the Nation."
