Fried Crawfish Tails Recipe:

Crawfish Recipes Katy Lyons, 2021-12-26 Crawfish are freshwater crustaceans resembling small lobsters. They are often used in Southern cooking such as popular Cajun dishes. In some locations they are also known as crayfish or crawdaddies. Although they are smaller than lobsters they can be quite large about the size of a person's hand. However many recipes require using the much smaller crawfish which are about the size of a quarter. Crawfish are found throughout the United States but they are used prominently in Southern cooking. They are especially popular in Louisiana and New Orleans. Crawfish are used in soups, stews and boils. They are used in sandwiches, casseroles and bakes. This cookbook is full of delicious crawfish recipes. Try some and enjoy. *Cajun Quick* Theriot, Jude W., 1992 **The Southern Po' Boy Cookbook** Todd-Michael St. Pierre, 2013-11-12 Traditional takes and bold new flavors served up in a split loaf of light and crusty French bread. Humble and delicious po boys are the favorite of local folks in the Big Easy who snatch them up by the thousands at delis, bars and corner stores every day. In recent years gourmet chefs have been getting innovative and raising these popular submarine sandwiches to new heights. Now *The Southern Po Boy Cookbook* brings the many flavors of these scrumptious treats to the home cook's kitchen. The first cookbook to focus solely on po boys, this beautiful full color compilation offers all the traditional fillings: roast beef, fried oysters, shrimp, soft shell crab, catfish and sausage, and an array of delectable new variations. For a healthier sub, the author offers up turkey breast or Vietnamese banh mi inspired po boys. And for the more adventurous, the foot longs crammed with seafood, stuffed artichoke hearts, French poutine and alligator will entice anyone.
