*The Multiple Worlds of Fringe* Tanya R. Cochran, Sherry Ginn, Paul Zinder, 2014-08-12 With diverse contributions from scholars in English literature psychology and film and television studies this collection of essays contextualizes Fringe as a postmodern investigation into what makes us human and as an examination of how technology transforms our humanity In compiling this collection the editors sought material as multifaceted as the series itself devoting sections to specific areas of interest explored by both the writers of Fringe and the writers of the essays humanity duality genre and viewership *Into the Looking Glass* Sarah Clarke Stuart, 2011-10 A holistic approach to television criticism this analytical companion to the popular show Fringe examines the drama's mythology and unveils its mysteries while exposing significant cultural issues addressed in each episode With a strong basis in science fiction Fringe has all of the archetypal characters and themes of the genre from the covert mastermind and the mad scientist to dangerous advances in technology parallel worlds and man made monsters This guide explores how the show uses these elements to tap into a deeper understanding of the human experience Less focused on individual episodes this book is split into three parts each discussing a broad element of the narrative experience of the first three seasons of this multilayered show **Focus On: 100 Most Popular English Male Comedians** Wikipedia contributors, Television Storyworlds as Virtual Space M. King Adkins, 2018-09-15 Television Storyworlds as Virtual Space examines television as a series of virtual realities viewers enter and explore one episode at a time Drawing on specific examples from Westworld to Green Acres Twin Peaks to Fargo it illustrates how each of these worlds invites us in encourages us to move about within it and constantly pushes against its own boundaries so that its universe continually expands and develops Specific chapters consider the importance of title sequences in helping us enter these storyworlds how

children's television educates us in using virtual reality and the centrality of the post apocalyptic series to the TV landscape Ultimately the book situates television as part of an artistic continuum one that stretches back as far as cave paintings but that also anticipates the digitally based virtual reality that lies just on the horizon *Focus On: 100 Most Popular Television Series by 20th Century Fox Television* Wikipedia contributors, **Focus On: 100 Most Popular Canadian Male Film Actors** Wikipedia contributors, **Focus On: 100 Most Popular Television Shows Set in New York City** Wikipedia contributors, **Invisibility by Design** Gabriella Lukács, 2020-01-03 In the wake of labor market deregulation during the 2000s online content sharing and social networking platforms were promoted in Japan as new sites of work that were accessible to anyone Enticed by the chance to build personally fulfilling careers many young women entered Japan's digital economy by performing unpaid labor as photographers net idols bloggers online traders and cell phone novelists While some women leveraged digital technology to create successful careers most did not In *Invisibility by Design* Gabriella Lukács traces how these women's unpaid labor became the engine of Japan's digital economy Drawing on interviews with young women who strove to sculpt careers in the digital economy Lukács shows how platform owners tapped unpaid labor to create innovative profit generating practices without employing workers thereby rendering women's labor invisible By drawing out the ways in which labor precarity generates a demand for feminized affective labor Lukács underscores the fallacy of the digital economy as a more democratic egalitarian and inclusive mode of production *Researching for the Media* Adele Emm, 2014-04-29 *Researching for the Media* Television Radio and Journalism is an essential guide to researching for the media industry It explains the role of the researcher and journalist within radio television and journalism exploring key areas of what to expect in the job *Researching for the Media* Television Radio and Journalism offers advice and instruction on practical ethical and legal issues which affect anyone working in these industries Beginning with suggestions on how to think up ideas and how to devise treatments through to general research methods and techniques and guidance on working on location at home and abroad it uses real examples of good and bad practice from the industry Written by an experienced researcher writer and producer *Researching for the Media* includes Tips on finding contributors from contestants experts and specialists through to audiences and celebrities How to find photographs picture and film clips and the ethical and legal issues involved Advice on finding and using music and copyright issues How the media uses the internet and social media such as Twitter Facebook Instagram A discussion of risk assessment codes of conduct ethical behaviour and legal and safety issues A glossary of media terms further reading and a list of helpful websites Discover more at [www.adeleemm.com](http://www.adeleemm.com)
