From Outer Space to You Howard Menger, 1959 *From Outer Space to You* Howard Menger, 2017-10-02 This very important book is now believed to be in the public domain As such it should be broadly distributed to all interested in the UFO phenomenon and friendly space people The friendly space people have a message for us all one of friendship and compassion towards Earth If we can learn to adopt their way of thinking the world would become a better place and we might just be able to join them to explore the stars It is difficult and no one is perfect but the more people practice the attitudes of Morals Friendship Empathy and Service towards all with a belief in God God is not a man but all men and woman and all things omniscient omnipotent omnipresent as stated in Connie and Howard Menger's book *Threads of Light To You* 1994 the more the world can change for the better for ourselves and the to the benefit of the friendly space people who want so badly to have us join them This book is a revised edition as all mention of life on Venus Mars and other local planets have been edited out because opposing groups manipulated the memory of the contactees including Menger in order to discredit their message This revised edition attempts to portray the true message of the Space Friends given to Menger without all the disinformation from the opposing groups More information in the Forward of this book For more information please see the youtube website www.youtube.com/Libertad450 *From Outer Space to You (Annotated Text Only Version)* Howard Menger, 2017-01-13 *From Outer Space To You* 2016 re print Annotated Text Only Version with Forward by Lucus Louize Forward by Lucus Louize excerpts This very important book is now believed to be in the public domain As such it should be broadly distributed to all interested in the UFO phenomenon and friendly space people The friendly space people have a message for us all one of friendship and compassion towards Earth If we can learn to adopt their way of thinking the world would become a better place and we might just be able to join them to explore the stars It is difficult and no one is perfect but the more people practice the attitudes of Morals Friendship Empathy and Service towards all with a belief in God God is not a man but all men and woman and all things omniscient omnipotent omnipresent as stated in Connie and Howard Menger's book *Threads of Light To You* 1994 the more the world can change for the better for ourselves and the to the benefit of the friendly space people who want so badly to have us join them In all the 1950's contactees books they mentioned that the space friends came from Venus ect They may have bases there as stated by Menger in the documentary *Alien Secret Contacts* Menger states in the documentary *Alien Contacts The Best Evidence* by Michael Hesemann 2006 they have bases on Venus Mars and many other planets I asked them once where did they come from And they said We have just come from the planet you call Venus Well that doesn't mean they are Venusians They are travelers So the space friends may have bases on those planets also it should be noted that the Space Friends of Gabriel Green have stated the memories of the 1950's contactees were manipulated Breccia also mentioned this in the book *Mass Contacts* Sammaciccia writes The opposing groups would use their technology to do things to the Confederation contacts like altering documents changing memories

even wiping out somebody's memories injecting wrong feelings as easily as if they were showing a movie. Our friends the Confederation ed had often stressed that against all that the only possible defense should consist in a firm will. So the memories of the contactees were distorted by opposing groups as mentioned by Sammaciccia and the Space Friends of Gabriel Green and the Confederation does not live openly on Venus Saturn ect where do they actually come from. As stated by the Space Friends of Gabriel Green online some of the places they come from are Altair and Arcturus star systems. Arcturus is actually a Dual Membership Planet of both the Confederation and the Space Friends of Gabriel Green. The space friends use a version of an economic system called Universal Economics as stated by contactee Gabriel Green. If you wish to incarnate into Confederation membership planet in the next life like Arcturus know you are not your body but your eternal soul awareness within your body and ask God what you need to do in life in order to re incarnate there then let go of thinking this is a similar method in Adamski's Science of Life 1964 and an answer will come of only Moral Common sense thoughts or ideas to improve your life in small ways or just for life guidance in general. Practice an attitude of Service towards God and the Confederation as this will help greatly to improve your chances of re incarnating onto Confederation membership planets. They may also use a soul transfer machine to transfer a person's soul into another body to re incarnate into their worlds. The soul transfer machine is mentioned in Menger's book Threads of Light To You. For more information on being your awareness and incarnating on Confederation member planets please see the book Inside the Spaceships by Adamski 2001. *From Outer Space* H. Hearings United States. Congress Senate,1958 **Humphrey and Me** Stuart H. Brody,2023-09-19 Ray Elias is a precocious but withdrawn sixteen year old growing up in an affluent suburb of New York in the early sixties Numbed by the assassination of President Kennedy Ray chances upon a TV documentary about the most recent presidential election and is drawn to the ebullient senator from Minnesota Hubert Humphrey who unsuccessfully challenged John Kennedy for the Democratic presidential nomination in 1960 With the senator as his newfound hero Ray fashions a mission for himself make Humphrey Lyndon Johnson s running mate in 1964 To the amazement of his friends and cynical father Humphrey learns of Ray s plan to lobby the delegates and impressed with his sincerity and ambition takes Ray under his wing Ray enters college

as the senator is elected vice president but the relationship unravels when Humphrey becomes an ardent public supporter of the Vietnam War despite his personal belief in the war's futility. As the tension between them grows and their bond deteriorates, Ray is devastated by his loss of faith in Humphrey. However, he finds consolation for his disappointment in Ruth, a spirited classmate from the other side of the tracks who teaches him understanding and empathy. As Ray matures to young adulthood, he reconnects with Humphrey, who has by now achieved a political revival and is mulling a fresh run at the presidency. The two reconcile after Humphrey finally acknowledges his breach of Ray's trust, and Ray forgives his former mentor. Loosely based on the author's real-life relationship with Vice President Hubert H. Humphrey, *Humphrey and Me* portrays the often highly emotional journey that comes with embracing our heroes while set against the backdrop of the tempestuous political eras of the 1960s and 70s.
