Bowditch, 1872 **Short History of General Hospital** United States. 12th General hospital, 1919 **History of**

Addenbrooke's Hospital, Cambridge Arthur Rook, Margaret Carlton, W. Graham Cannon, 1991 An authoritative and
absorbing account of one of Britain's most prestigious hospitals **History and Roster of the United States Army**

General Hospital No. 16, New Haven, Connecticut United States. General Hospital No. 16 (New Haven, Conn.), 1929

New Haven's Civil War Hospital Ira Spar, M.D., 2013-11-21 As the Civil War's toll mounted an antiquated medical system
faced a deluge of sick and wounded soldiers In response the United States created a national care system primarily funded
and regulated by the federal government When New Haven Connecticut was chosen as the site for a new military hospital
Pliny Adams Jewett next in line to become chief of surgery at Yale sacrificed his private practice and eventually his future in
New Haven to serve as chief of staff of the new thousand bed Knight U S General Hospital The War Governor William
Buckingham personally financed hospital construction while supporting needy soldiers and their families He appointed state
agents to scour battlefields and hospitals to ensure his state's soldiers got the best care while encouraging their transfer to
the hospital in New Haven This history of the hospital's construction and operation during the war discusses the state of
medicine at the time as well as the administrative side of providing care to sick and wounded soldiers A History of the
Massachusetts General Hospital (Classic Reprint) N. I. Bowditch, 2017-10-12 Excerpt from A History of the Massachusetts
General Hospital Of the Medical College the scene of a late fearful tragedy and in the background beyond the river the hill is
crowned by the Asylum a peaceful retreat standing forth from amid the foliage and shrubbery by which it is sheltered and
secluded I have been permitted by the Trustees to use a separate engraving Of the Asylum which has for several years
belonged to the Corporation The likeness Of Dr James Jackson was also executed for this publication from a daguerreotype of
which it is a very accurate copy though the happiest expression has not been secured The engraving Of Dr Warren is from an
existing plate which he kindly placed at my disposal After the volume was in the press I learned for the first time that my
friend and co trustee George M Dexter Esq had already prepared at great labor and expense large and elegant engravings of
the interior and exterior Of the Hospital which at a future day he intended to publish with some description of the
establishment historical as well as architectural Of all these engravings he with great liberality offered me the free use This
courtesy however I felt that I ought not to accept His intended publication he will as is hoped yet complete Its design is truly
magnificent and will not be superseded by the present compilation If indeed that shall be regarded as letter press worthy Of
accompanying his architectural illustrations I may well be satisfied About the Publisher Forgotten Books publishes hundreds
