

The background of the cover is a photograph of a laboratory setting. A person wearing blue nitrile gloves is shown from the chest down, holding a petri dish with red agar. They are using a metal inoculation loop to streak bacteria across the surface of the agar. The petri dish is held in the left hand, and the loop is held in the right hand. The agar is a vibrant red color, and there are several streaks of bacteria visible on the surface. The background is dark and out of focus, showing some laboratory equipment like test tubes and a rack.
