His Captive Miracle English Edition:

The Captive's Position Teresa Toulouse, 2007 In this book the author argues for a new interpretation of the captivity narrative one that takes into account the profound shifts in political and social authority and legitimacy that occurred in New England at the end of the 17th century

The Medieval Cult of Saint Dominic of Silos Anthony Lappin, 2002 Lucas the garrulous bishop of Tuy included the thaumaturgy of Saint Dominic of Silos as one of the glories of Spain in his mid thirteenth century account of the Peninsula's history This study examines the rise to prominence of one of the most important of saints cults in Medieval Spain and its development throughout the Middle Ages It interrogates neglected texts such as the late eleventh century Vita Dominici Exiliensis and the late thirteenth century Miraculos romancados as well as artistic representations and works written outside Silos and places the more widely known Vida de Santo Domingo by Gonzalo de Berceo c 1260 in a new light by firmly fixing its presentation of the saint within the development of the cult Dominic's veneration became centred upon his role in freeing captives and a study of this phenomenon provides a focus on the frontier and its settlers through their devotion to the saint as well as illuminating their view of their Muslim adversaries This is not the only centre of interest in the book and a variety of approaches are employed to draw as round a picture as possible of the functioning of this saint's cult from analysis of the manuscript traditions of the various works discussed to a consideration of the anthropology of Silos as a pilgrimage centre All quotations are given in both Latin or Romance with an English translation

snatching up information This thoughtful intense book will reframe the arc of redemption we so often associate with drug rehabilitation painting instead a seemingly endless cycle of hunt capture and release O Neill uses his dramatic story of the manhunt to rethink Foucauldian pastoral power an utterly brilliant book PoLAR Political and Legal Anthropology Review The theme of Kevin Lewis O Neill s fascinating book Hunted i e drug addicts kidnapped and held in involuntary confinement in treatment centers run by Guatemalan Pentecostals may strike readers as so outr or outrageous as to provoke a reaction Hunted consists in brilliant participant observer reportage Pneuma **Dante's Monarchia** Dante Alighieri,Pontifical Institute of Mediaeval Studies,1998
