

What Is Historical Fiction?

Historical fiction is a story. Its purpose is to entertain the reader, like any other narrative. The only difference is that it's set in the past.

Historical Fiction

Locations, settings and events are set in the past. They can be real or made up.

The story contains fictional elements. This could be characters, events or settings.

What Is Historical Fiction?

Historical fiction is a balance of research and research. It transports the reader to another place in time. To make that journey seem real, the writer may research:

- What people wore
- What people ate
- What people normally did for a job
- Popular beliefs, traditions and customs
- Common family structures
- What people like and dislike

Getting these things wrong makes the story seem unbelievable.
