

Germany Part 4 Summary Test

Answer in your exercise book.

From Dr Robert Ley, who was Chief of the Labour Front and in charge of making 'good citizens' out of the German people.

Our state is an educational state.... It does not let a man go free from the cradle to the grave. We begin with the child when he is three years old. As soon as he begins to think, he is made to carry a little flag. Then follows school, the Hitler Youth, the storm troopers and military training. We don't let him go; and when all that is done, comes the Labour Front, which takes possession of him again, and does not let him go till he dies, even if he does not like it.
