

SOURCE C

This extract focuses on the reasons for Lenin's New Economic Policy.

In March 1921 Lenin announced the end of War Communism and the inauguration of a New Economic Policy. The NEP was based on the following:

Requisitions from peasants were ended and a fixed tax in kind (grain) was substituted – which by 1924 had become a money tax. Once this tax was paid, the peasant was free to do what he liked with what remained. He could use it himself, sell it to the state or sell it on the open market which was now made legal. Private enterprise was allowed in trade and small-scale industry. Compulsory labour ceased; labour armies were stopped; bonuses were introduced for extra work. The currency was back on a sound footing and a regular system of taxation was introduced. Large-scale industry (coal, iron, steel, oil, electricity, railways) remained state-owned.

[Adapted from: Russia in Revolution by J Robertson]

1.3 Refer to Source C.

1.3.1 Explain in your own words how Lenin's New Economic Policy was implemented.

(3)

The New Economic Policy was a drastic adaptation to the war communist policy, which allowed for a free market, private trade and enterprise. Private trade was no longer illegal, or government centralised. People paid a portion of their goods or income in the form of tax and were permitted to sell the rest on the open market. This stimulated the economy and encouraged economic growth.

1.3.2 In what ways was the New Economic Policy different to Lenin's ideal of a communist state? Support your answer with evidence from the source.

(3)

A communist state is one in which all individuals are equal. Under the NEP certain individuals profited more than others, which is a distinctly capitalist feature. This automatically created a sense of inequality and reduced the government's power and influence.

1.3.3 What was Lenin's intention for the state in creating the New Economic Policy?

(2)

It was Lenin's intention to recover the economy and to suppress peasant unrest, while still providing for the needs of the government.

SOURCE D

This source shows some of the production figures in Russia from 1913 to 1926.

History Pessays For Finals 2014 Grade11

Susan Nance

History Pessays For Finals 2014 Grade11:

Routledge Handbook of Football Studies John Hughson, Kevin Moore, Ramón Spaaij, Joseph Maguire, 2016-10-04 Football is unquestionably the world's most popular and influential sport. There is no corner of the globe in which the game is not played or followed. More countries are affiliated to FIFA, football's governing body, than to the United Nations. The sport has therefore become an important component of our social, cultural, political, and economic life. The Routledge Handbook of Football Studies is a landmark work of reference going further than any other book in considering the historical and contemporary significance of football around the world. Written by a team of leading sport scholars, the book covers a broad range of disciplines from history, sociology, politics, and business to philosophy, law, and media studies. The central section of the book examines key themes and issues in football studies, such as the World Cup and international competition, governance, and ownership, fandom, and celebrity. The concluding section offers in-depth surveys of the culture and organisation of football in each of the regional confederations from UEFA to CONCACAF. This book will be fascinating reading for any serious football fan and an essential resource for advanced students or scholars undertaking research in football or sport studies, and any practitioner or policy maker working in football.

A Sociology of the World Rally Championship H. Naess, 2014-09-23 Drawing upon interviews with key people in the World Rally Championship, as well as trans-local ethnographic research, this book explores questions of commerciality and sporting identity, tackling the sport's controversial handling of the shift into the commercial age. It is essential reading on combining sporting heritage and commercial progress.

Congressional Record United States. Congress, 1997

Kicking Center Rachel Allison, 2018-08-30 Winner of the 2018 Early Career Gender Scholar Award from the Sociologists for Women in Society. South Girls and young women participate in soccer at record levels, and the Women's National Team regularly draws media, corporate, and popular attention. Yet despite increased representation and visibility, gender disparities in opportunity, compensation, training resources, and media airtime persist in soccer, and two professional leagues for women have failed since 2000. In *Kicking Center*, Rachel Allison investigates a women's soccer league seeking to break into the male-dominated center of U.S. professional sport. Through an examination of the challenges and opportunities identified by those working for and with this league, she demonstrates how gender inequality is both constructed and contested in professional sport. Allison details the complex constructions of race, class, gender, and sexuality in the selling and marketing of women's soccer in a half-changed sports landscape characterized by both progress and backlash, and where professional sports are still understood to be men's territory.

The Athletic Experience at Historically Black Colleges and Universities Billy Hawkins, Joseph Cooper, Akilah Carter-Francique, J. Kenyatta Cavil, 2015-08-01 Historically Black Colleges and Universities (HBCUs) are valuable institutions that provide intellectual domains for racial uplift, racial refuge, and cultural empowerment within a continually polarized nation. Today's current racial climate reminds us of the historical context that gave birth to HBCUs and segregated athletic experiences. While the sporting

life at HBCUs is an integral part of these institutions mission there is a dearth of research about HBCU athletics In The Athletic Experience at Historically Black Colleges and Universities Past Present and Persistence leading scholars from across the nation present a holistic examination of the integral role sports have played at HBCUs Chapters in this volume cover a range of topics from HBCU Football Classics to economics It begins with a historical overview of HBCUs and the early sporting life before delving into the experiences of today s male and female student athletes including the unique perspectives of athletes who transferred from historically White colleges and universities to HBCUs Other chapters examine economic issues at HBCUs such as the financial viability of their athletic departments in the context of the larger NCAA economic framework and recommendations for the future of HBCU athletics to restore both academic and athletic excellence at these institutions An important addition to the existing literature on race in contemporary society this volume provides a narrative of the Black experience from the historical origins of educating Blacks their early athletic experiences and the current state of athletics at HBCUs The Athletic Experience at Historically Black Colleges and Universities is a significant contribution to the debate on college athletics and higher education in general and athletics at HBCUs specifically It is a must read for sport studies scholars and students sport management practitioners and sport enthusiasts of the inter workings of athletics and the HBCU experience

Exploring decolonising themes in SA sport history Francois Johannes Cleophas,2018-01-01 In an effort to understand how the absences of the colonial subject in sport were engineered and how colonial narratives became fixed in the literature and minds of South Africans Exploring Decolonising Themes in SA Sport History Issues and Challenges attempts a full scale restructuring and rewriting of the history of sport in South Africa to include black South Africans and thereby places them on the forefront of a colonial history The book includes the articulations of academic researchers professionals and retired sportspeople who were requested to explore their unique areas of interest in sport from the perspective of themes in South African sport history They place themselves at the centre of discourses that dispel myths that blacks had no sport significance prior to 1994 The book ultimately challenges this spirit of the past where there was only one narrative a white male sport tradition Rather than adapting past colonial and apartheid narratives this work seeks to fundamentally replace and supersede them

Raise Your Game Alan Stein Jr.,Jon Sternfeld,2019-01-08 Performance coach Alan Stein Jr shares the secret principles used by world class performers that will help you improve your productivity and achieve higher levels of success High achievers are at the top of their game because of the discipline they have during the unseen hours They have made a commitment to establish tweak and repeat positive habits in everything they do Raise Your Game examines the top leaders in sports and business and proves that success is a result of the little things we do all the time The basic principles provided in Raise Your Game are simple but not easy We live in an instantly downloadable world that encourages us to skip steps We are taught to chase what s hot flashy and sexy and ignore what s basic But the basics work They always have and they always will Raise Your Game will inspire and empower

you to commit to the fundamentals create a winning mindset and progress into new levels of success *The Schenley Experiment* Jake Oresick,2017-04-14 The Schenley Experiment is the story of Pittsburgh's first public high school a social incubator in a largely segregated city that was highly even improbably successful throughout its 156 year existence Established in 1855 as Central High School and reorganized in 1916 Schenley High School was a model of innovative public education and an ongoing experiment in diversity Its graduates include Andy Warhol actor Bill Nunn and jazz virtuoso Earl Hines and its prestigious academic program and pensions lured such teachers as future Pulitzer Prize winner Willa Cather The subject of investment as well as destructive neglect the school reflects the history of the city of Pittsburgh and provides a study in both the best and worst of urban public education practices there and across the Rust Belt Integrated decades before Brown v Board of Education Schenley succumbed to default segregation during the white flight of the 1970s it rose again to prominence in the late 1980s when parents camped out in six day long lines to enroll their children in visionary superintendent Richard C Wallace's reinvigorated school Although the historic triangular building was a cornerstone of its North Oakland neighborhood and a showpiece for the city of Pittsburgh officials closed the school in 2008 citing over 50 million in necessary renovations a controversial event that captured national attention Schenley alumnus Jake Oresick tells this story through interviews historical documents and hundreds of first person accounts drawn from a community indelibly tied to the school A memorable important work of local and educational history his book is a case study of desegregation magnet education and the changing nature and legacies of America's oldest public schools *The History of American College Football* Christian Anderson,Amber Fallucca,2021-05-19 This volume provides unique insight into how American colleges and universities have been significantly impacted and shaped by college football and considers how U S sports culture more generally has intersected with broader institutional and educational issues By documenting events from the nineteenth and twentieth centuries including protests legal battles and policy reforms which were centred around college sports this distinctive volume illustrates how football has catalyzed broader controversies and progress relating to race and diversity commercialization corruption and reform in higher education Relying foremost on primary archival material chapters illustrate the continued cultural social and economic themes and impacts of college athletics on U S higher education and campus life today This text will benefit researchers graduate students and academics in the fields of higher education as well as the history of education and sport more broadly Those interested in the sociology of education and the politics of sport will also enjoy this volume **Rodeo** Susan Nance,2020-04-23 What would rodeo look like if we took it as a record not of human triumph and resilience but of human imperfection and stubbornness asks animal historian Susan Nance Against the backdrop of the larger histories of ranching cattle horses and the environment in the West this book explores how the evolution of rodeo has reflected rural western beliefs and assumptions about the natural world that have led to environmental crises and served the beef empire By unearthing behind the scenes stories of rodeo animals as diverse

individuals this book lays bare contradictions within rodeo and the rural West For almost 150 years westerners have used rodeo to symbolically reenact their struggles with animals and the land as uniformly progressive and triumphant Nance upends that view with accounts of individual animals that reveal how diligently rodeo people have worked to make livestock into surrogates for the trials of rural life in the West and the violence in its history Western horses and cattle were more than just props Rodeo reclaims their lived history through compelling stories of anonymous roping steers and calves who inspired reform of the sport such as the famed but abused buckner Steamboat and the many broncs and bulls famous or not who unknowingly built an industry Rodeo is a dangerous sport that reveals many westerners as people proudly tolerant of risk and violence and ready to impose these values on livestock In Rodeo An Animal History Nance pushes past standard histories and the sport s publicity to show how rodeo was shot through with stubbornness and human failing as much as fortitude and community spirit

Eventually, you will no question discover a additional experience and deed by spending more cash. nevertheless when? reach you undertake that you require to get those every needs afterward having significantly cash?
