**Young's Literal Translation of the Holy Bible**, 2013-07-15 *Young's Literal Translation of the Holy Bible* Robert Young, 2017-12-15 2017 Reprint of 1898 Revised Edition. Full facsimile of the original edition, not reproduced with Optical Recognition software. Young's Literal Translation is a translation of the Bible into English, first published in 1862. Young used the Textus Receptus (TR) and the Majority Text (MT) as the basis for his translation. The Literal Translation is unusual in that the name implies it is a very literal translation of the original Hebrew and Greek texts. For example, Young used the present tense in many places in which other translations use the past tense, particularly in narratives. Young's translation is closer to the Hebrew than the better known versions of this passage in English. Young strives for strictness in translating words and tenses. Therefore, he provides a valuable standard by which, with study, one can judge and compare the accuracy of modern versions in rendering the Bible into readable English. He will help in discerning where translation stops and interpretation begins. *And The Church Is Silent* Pastor Tim Morstatter, There is a growing liberal wing of the Church even in Evangelical denominations whose leaders are choosing to side with movements that align themselves more with the enemy rather than with the Father. In the last 10 years, the situation has escalated to the point where many church leaders are being deceived by cultural anti-Christ forces. In a sense, the world has had more influence on the Church than the Church has had on the world. These forces would like nothing better than to have a Silent, Powerless and Compliant Church that will Know Nothing, See Nothing and Say Nothing. They are parading popular cultural trends dressed up in scripture before unsuspecting people who accept it all as Biblical Truth. The Church has been Silent for way too long, and because of that, the people no longer recognize the difference. The body of Christ needs to Stand Up and Speak Out. The Church needs to operate in the Authority and Power given to us by Jesus Himself. We can No Longer remain Silent. It is time for the body of Christ to Re-comprehend, become Re-aware, Re-discover her actual identity and along with it, the authority that Jesus gave to that body to rule over Satan and all of his minions. We need to Re-claim everything just as Jesus did as He ripped the gates off the hinges in hell when He reclaimed what God had given to Adam and Eve when He made them the ones to have dominion over all the earth, all the animals and to be the ultimate earthly authority, subject only to Him. It is time to LET THE LION ROAR. *Children of Abraham* Michael S.

Pendergast,2012-05 It all began with Abraham and with his son Isaac and his older brother Ishmael The question in dispute today is where it all ends or should end Does history lead us to a particular descendent of Ishmael Mohammed of Mecca and the religion he founded Or does it lead instead to a descendent of Isaac Jesus of Nazareth and a competing religion Christianity Is there any hope of discovering which of the alternatives is the true path that we should embrace and follow There is For the Holy Book of one religion sets out a test consistency and then fails to pass it in a spectacular fashion The Scriptures of the other religion however sets out a different test meeting prophecy and then stuns us by flawlessly passing not only it but other book s test as well Step inside this short manuscript and we will journey through history examining the lives of Abraham Mohammed and Jesus and the religion each was intimately associated with As we do so we will make some amazing discoveries that may perhaps change forever your ideas about who Jesus and Mohammed were and what Judaism Christianity and Islam are all about

**In the Beginnings** Steven E. Dill,2010-05-21 In the Beginnings is a defense of the biblical Gap Theory of Creation This theory once popular in the late 19th and early to mid 20th centuries has been rejected by many modern day creationists as being without biblical or scientific support This book takes an in depth look at both science and the Bible Its purpose is to show how the Gap Theory better fits the scientific and biblical facts More importantly its main purpose is to reach out to unbelievers who think the Bible teaches things contrary to science True scientific facts and true Biblical truths do not contradict The basic assumption of the author is that God is smart enough and powerful enough and sovereign enough to make His Works and His Words agree Because God reveals His invisible attributes in His handiwork the author uses both God s Word and His work to share the Gospel of Jesus Christ Dr Steven Dill once a staunch evolutionist began investigating creationism after becoming aware of some scientific facts that seemed incompatible with his own beliefs Taking the position that truth will stand the test he began challenging even his own ideas about the origin of the universe His conclusion was that true scientific facts and true Biblical truths do not contradict and in this book he presents a new look at an old theory that preserves the integrity of both science and the Bible He earned his Bachelor s Degree in Biology in 1979 and his Doctorate of Veterinary Medicine in 1985 at the University of Missouri Columbia He is currently a practicing veterinarian in Jeffersontown Kentucky where he lives with his wife Linda and two dogs Samwise Gamgee and Rosie Cotton His two sons Tom and James have grown into fine young Christian men who make their parents proud
