**"Offshore Structure"**,1981 The theme of Offshore Structures did not attract a large number of submissions on this aspect possibly due to the many other international conferences specialising on this topic The invited guest speakers concentrated on offshore and coastal structures As in previous meetings the participation of geologists and conservationists was most welcome The Workshop on Dune Management attracted much interest the papers from which will be published in a separate volume

Sorority Genevieve Sly Crane,2018-05-01 Sisterhood is forever whether you like it or not Prep meets Girls in White Dresses in Genevieve Sly Crane's deliciously addictive voyeuristic exploration of female friendship and coming of age that will appeal to anyone who has ever been curious about what happens in a sorority house Twinsets and pearls secrets and kinship rituals that hold sisters together in a sacred bond of everlasting trust Certain chaste images spring to mind when one thinks of sororities But make no mistake these women are not braiding each other's hair and having pillow fights not by a long shot What Genevieve Sly Crane has conjured in these pages is a blunt in your face look behind the closed doors of a house full of contemporary women and there are no

holds barred These women have issues self inflicted family inflicted sister to sister inflicted and it is all on the page At the center of this swirl is Margot the sister who died in the house and each chapter is told from the points of view of the women who orbit her death and have their own reactions to it With a keen sense of character and elegant observant prose Crane details the undercurrents of tension in a world where perfection comes at a cost and the best things in life are painful if not impossible to acquire Beauty A mother s love And friendship or at least the appearance of it Woven throughout are glimmers of the classical myths that undercut the lives of women in Greek life After all the Greek goddesses did cause their fair share of destruction
