Honey Crueller Recipe:

The Bee-keepers' Review, 1913 *Bakers' Helper; the Baking Industry Magazine*, 1922 **The Sensible Cook** Peter G. Rose, 1998-09-01 The most favored Dutch cookbook of the seventeenth century The Sensible Cook De Verstandige Kock had a major impact on the foodways of the Dutch in the Netherlands and in their New World territories As a part of the larger work The Pleasurable Country Life The Sensible Cook records the foodways of rich middle class households the cooking methods and typical dishes they prepared and the implements and ingredients they employed Often the recipes are surprisingly sophisticated From braising a chicken with orange peel and cinnamon to stuffing pigeons with a mixture of parsley ginger sugar butter and raisins many of the dishes are still appealing today Peter G Rose has in fact adapted some two dozen of the recipes for contemporary use tempting dishes such as Shoemaker s Cake a delicious combination of bread crumbs butter eggs and stewed apples Handsomely illustrated with Dutch genre paintings The Sensible Cook will interest cooks food historians students of social and cultural history and the large number of Dutch descendants in America Most important this book will be welcomed by all who enjoy good food Goodbye Cruller World Ginger Bolton, 2018-08-28 Named after her beloved tabby Deputy Donut Emily Westhill s donut shop in small town Fallingbrook Wisconsin is doing so well she s expanding into catering weddings But a killer is about to crash the reception Normally Emily s eyes tend to glaze over when prospective brides go on about their wedding plans But when the owner of the clothing shop Dressed to Kill asks Emily to design a donut wall for her reception she s immediately sweet on the idea With the help of her father in law and business partner the former police chief of Fallingbrook she hangs the treats from dowels on the wall so guests can help themselves But that night when the groom ends up on the floor with signs of poisoning Emily suspects someone has tampered with her treats When the groom dies there s no way to sugarcoat it she s got a murder on her hands Despite a list of suspects as long as the guest list Emily vows to find out who created the killer confection to save her shop s reputation and keep the bride out of handcuffs She ll have to move fast before the poisoner takes a powder The Dutch World of Washington Irving Elisabeth Paling Funk, 2025-06-15 The Dutch World of Washington Irving tells an alternative origin story of American literary culture In December of 1809 before finding fame with Rip Van Winkle and The Legend of Sleepy Hollow Washington Irving published his satirical A History of New York from the Beginning of the World to the End of the Dutch Dynasty under the pseudonym Diedrich Knickerbocker Elisabeth Paling Funk explains that the History of New York and the Hudson Valley folktales that followed were part of an early trend of responding to the national desire for a historical record Funk argues that these works uniquely describe this part of the American scene in the period of the Early Republic and bring forward the Dutch strain in its history and culture Funk explores what the young Irving would have read heard and observed during his early life and career in New York City once part of the former colony of New Netherland where he was surrounded by Dutch speaking neighbors and relatives and Dutch literature Based on these sources The Dutch World of Washington

Irving argues that Irving s Knickerbocker works not only his History but also his Hudson Valley stories represent a crucial effort to preserve Dutch life and folk customs in the Hudson Valley in the face of Anglo Americanization Providing the first complete glossary of Irving s Dutch vocabulary and drawing on untranslated Dutch sources Funk offers cultural historians scholars of American folklore and literature and the latest generation of Irving s readers unprecedented access into the Dutch world of Washington Irving and his American contemporaries *Everybody's Cook Book* Isabel Ely Lord,1924

American Home Cooking Tim Miller,2017-07-01 American Home Cooking provides an answer to the question of why in the face of all the modern technology we have for saving time Americans still spend time in their kitchens cooking Americans eat four to five meals per week in a restaurant and buy millions of dollars worth of convenience foods Cooking especially from scratch is clearly on its way out However if this is true why do we spend so much money on kitchen appliances both large and small Why are so many cooking shows and cookbooks published each year if so few people actually cook In American Home Cooking Timothy Miller argues that there are historical reasons behind the reality of American cooking There are some factors that over the past two hundred years have kept us close to our kitchens while there are other factors that have worked to push us away from our kitchens At one end of the cooking and eating continuum is preparing meals from scratch all ingredients are raw and unprocessed and in extreme cases grown at the home On the other end of the spectrum is dining out at a restaurant where no cooking is done but the family is still fed All dining experiences exist along this continuum and Miller considers how American dining has moved along the continuum He looks at a number of different groups and trends that have affected the state of the American kitchen stretching back to the early 1800s These include food and appliance companies the restaurant industry the home economics movement of the early 20th century and reform movements such as the counterculture of the 1960s and the religious reform movements of the 1800s And yet the kitchen is still most often the center of the home and the place where most people expect to cook and eat even if they don t Food Lovers' Guide to® Rhode Island Patricia Harris,David Lyon,2013-03-19 Food Lovers Guides Indispensable handbooks to local gastronomic delights The ultimate guides to the food scene in their respective states or regions these books provide the inside scoop on the best places to find enjoy and celebrate local culinary offerings Engagingly written by local authorities they are a one stop for residents and visitors alike to find producers and purveyors of tasty local specialties as well as a rich array of other indispensable food related information including Food festivals and culinary events Farmers markets and farm
