Destination, Wedding! Xavier Mayne, 2017-01-30 A Brandt and Donnelly Caper Case File Six State troopers Ethan Brandt and Gabriel Donnelly are finally going to get their storybook wedding sailing on an ocean liner to a castle in the English countryside But when an Icelandic volcano scrambles flights all over the world they must find alternate routes to the altar separately Donnelly meets Sandler Birkin a globetrotting courier who specializes in carrying rare artifacts and diplomatic pouches He pulls a few strings to get Donnelly to the ship on time and then accompanies him across the Atlantic Donnelly returns the favor by helping to find Sandler's long lost first love Trevor Hendricks Trevor's controlling homophobic parents have brought him to Europe for a radical treatment to cure him of his homosexuality and his love for Sandler Brandt meanwhile finagles his way around the globe with the help of Kerry Mercer a sales executive whose spirit of adventure leads her to accompany him on his improvised journey However sharing hotel rooms with her presents a problem for Brandt who despite being about to marry a man still finds her attractive Once Brandt and Donnelly are reunited they band together with Kerry and Sandler to plot Trevor's rescue But doing so might mean missing their own wedding

*Student-Centered Learning by Design* Jacquelyn Whiting, 2021-03-15 Current research is pushing schools to adopt more student centered approaches to the classroom experience and educators librarians and classroom teachers alike are being challenged to revise their curricula and instruction to be student centered personalized and differentiated This book empowers librarians teachers and administrators to be empathic problem solvers and decision makers By reframing the challenges that members of a learning community face as opportunities to better meet teaching and learning needs readers will find that adoption of a mindset focused on users namely design thinking elevates and creates opportunities for innovating pedagogy Moreover it can enhance school culture as well as build channels of communication among various stakeholders in schools and districts When educators of any subject or discipline apply design thinking skills to their curriculum implementation authentic student centered learning experiences become the core of the learning experience The case studies shared in this book provide examples of student centered approaches being used in elementary middle and high schools so that readers have many models on which to base their work and from which to build confidence in shifting their pedagogy to keep the student at the center of teaching and learning decisions
