J.M. Benjamin,2015-03-01 Imagine being the product of one of the most notorious criminal couples ever to terrorize the state of Virginia Imagine your father choosing death over life in prison because he thinks he has no reason to live Imagine your mother trying to kill herself and you to protect you from the world Then imagine growing up parentless in a society you seem not to fit in until you meet someone else who feels the same way If you can imagine all of this then you will be intrigued by the story of young Treacherous Freeman and Baby Love Nearly two years after the death of his mother Treacherous is faced with a situation that causes him to unleash all that has been bottled up inside him His actions ultimately land him in a place that surprises even him Despite growing up with both parents and strong family values Baby Love feels her life is not too far from hell Deceit betrayal and deception are the contributors to Baby s sudden change They are the very same things that land her in a predicament that has her craving for vengeance As fate would have it

Treacherous finds himself drawn to the girl that reminds him so much of his mother The chemistry between him and Baby is undeniable and a twisted love connection is born Fueled by pain they form a bond that Treacherous has always dreamed of and Baby never thought existed **La Familia** Paradise Gomez,2014 **The Syndicate** Brick,Storm,2016-12-27 They were just kids when Claudette McPhearson took them all in Eight of them all together all different races and ethnicities but she loves them as her own One woman has taught them how to love trust and respect one another Claudette is their light at the end of a long troublesome tunnel and she shines so bright Then one dreadful day it all comes to a crashing halt Claudette is walking to the bus stop from the juvenile correction center where she volunteers her time and she is gunned down in a seemingly random drive by shooting In the blink of an eye Claudette s kids are without a parent once again and their lives will never be the same They now own a house and a 500 000 insurance policy is to be split between eight kids However they soon discover that they have also inherited enemies no one knew existed in Claudette s world Uncle Snap was well aware of those enemies and after one of the children happens upon a lockbox with keys codes and monetary figures Uncle Snap presents them with a video Mama has left revealing the truth about her nefarious activities A secret bunker underneath the house opens their eyes It is filled with money drugs and specific directions from Claudette who built an empire from the ground up The Syndicate is what Uncle Snap calls it and since Claudette is dead it is up to the kids to keep it going The Syndicate is a criminal enterprise that traffics millions of dollars of drugs throughout the United States From the Port of Miami to the border of Canada The Syndicate is a force to be reckoned with Unbeknownst to them Claudette has been training every one of them for this moment She honed in on each of their skills to develop them to the fullest Now one of them must step up to become the leader so they can take over the Syndicate and run this city
