Jordan,2013-01-01 Walter Dean Myers tells it like it is in his award winning novels about urban teenagers with real problems With humor and a keen ear for dialogue Myers creates characters that speak directly to today s teens As a young reader Myers could not find books about African American boys like himself Drawing upon his own struggles and experiences he has filled that literary gap with fascinating novels filled with realistic stories that appeal to readers of all backgrounds and cultures *Human Biology and Health* Anthea Maton,1993 *Booktalks Plus* Lucy Schall,2001-04-15 Obesity in a world where thin is endlessly in vogue pros and cons of tattoos and body piercing and family blending This guide leads you to quality literature that inspires students to read and discover more about these and many other issues they find relevant Booktalks for more than 100 titles are accompanied by motivational activities and lists of related works In addition pithy book summaries and bibliographic information are given Fiction and nonfiction titles most published since 1995 were selected with curriculum connections in mind and are arranged topically *Children's Books in Print, 2007* ,2006

Human Biology and Health ,1997 **Book Review Digest** ,1992 **Childhood and Innocence in American Culture** James M. Curtis,2023-08-01 This collection argues that the romanticized conflation of childhood and innocence in American culture has been on a steady decline at least since the 1960s largely due to postmodern critiques of overarching narratives involving both the child and the innocence of childhood Additionally this collection highlights and analyzes examples of children s literature and culture throughout the 20th century and into the 21st which pointedly defy traditional idealized notions of childhood Such an analysis serves to reiterate the idea that the romanticized notion of childhood which has pervaded American culture for over two centuries is little more than a cultural construction that bears little to no resemblance to the actual lived experience of American children
