The Clock, the Cloak and the Needles: The Stories of the Enchanted Items from Beneath the Morvan Moon

Courtney Mroch, 2017-05-09 Gretchen Lauterbach travels to Brevard where she meets Zachary an American ex pat living in France who deals in antiquities decidedly unusual antiquities This collection of three short stories features the backstories of the cursed items from Beneath the Morvan Moon In *Le Meneur Des Loups* Zachary possesses a cloak rumored to have the power to transform a man into a wolf that Pascal a Brevardian wants for his collection of lycanthropic memorabilia Europeans have a history of suffering due to wolves Thus it was wolves and werewolves or loup garous came to be among the most feared beasts in French folklore as did *Le Meneur de Loops the Wizard of the Wolves* responsible for commanding the wolves on their missions of terror But were the legends merely that The Clockmaker tells the tale of a clock Zachary discovers in Pascal s shop that chimes only when Death is near Finally *Casting On Binding Off* features a pair of knitting needles that almost kill Zachary

Forthcoming Books Rose Arny, 1989-09 *Inevitable* Karen Wiesner, 2020-02-25 Tori Bertoletti librarian and planet cataloger and Raze Salen mankind s emissary aboard the Human spacefaring liveship the Aero have convinced their government of the dire need to negotiate formal alliances with the other cultures in the galaxy The monumental task they re undertaking and the consequences of failure are mind rattlingly clear Complications muddle the mission in the form of uneasy truces and frustrating stalemates long held enigmatical cosmologies suddenly called into life altering question along with immediate and imminent threats that could tear apart the fabric of the entire universe and everything living in it

Indomitable Karen Wiesner, 2020-04-24 Newlyweds Tori Bertoletti and Raze Salen the heart and soul of the Human spacefaring liveship the Aero are separated Ambassador Raze continues to negotiate formal alliances while Tori and the best scientific minds in the galaxy try to figure out how to stop the organic menace swallowing the universe in darkness Meanwhile civil war threatens to erupt between Earthers and Spacers and the leader of the Napoleonic Sinshe has defected But can he convince his people including his own sons leading the armada against all other worlds and cultures that they ve been indoctrinated and enslaved to lies against their will

Immutable Karen Wiesner, 2020-01-30 When mankind realized Earth would become uninhabitable Humans built space habitations Their first allies arrived in 2073 and shared their technology to power ships through space corridors that fold space and time Only 58 years into their struggle for survival an enemy emerges In the wake of this threat an organic menace is only beginning to be recognized ensuring the annihilation of every living thing if together they can t find a way to stop it Spacefaring liveship the Aero is on a routine mission to the far flung regions of the galaxy when they receive a distress call from their oldest space habitation outside the Sol System The structure has been brutally attacked inhabitants kidnapped or outright killed The crew aboard the Aero including Astoria Bertoletti librarian and planet cataloger and Raze Salen mankind s emissary search for clues to explain the unprecedented tragedy After several more similar distress calls from other habitations the savage pieces of the mystery

begin to emerge and point to the culpability of humanity's short sightedness and desperation when they first began seeking out alternate spaces in the galaxy to call home In the midst of the imminent threat of war Raze and Tori present the immutable evidence of wrongdoing both intentional and inadvertent to their government as well as to their strongest and weakest allies who may have no choice but to desert them in yet another hour of dire need *Indelible* Karen

Wiesner,2020-03-29 Tori Bertolotti librarian and planet cataloger and Raze Salen mankind's emissary aboard the Human spacefaring liveship the Aero have succeeded in creating a Galactic Alliance with other cultures in their universe in order to protect themselves from an adversary who considers itself the supreme race the Chosen of the Creator Cultures that at one time would have considered all others antithetical to their own no longer have a choice about facing the indisputable fact that though they've all come from different planets and far flung sectors of the galaxy they are genetically one and the same But can the enemy of my enemy become my friend against the warring Sinshe as well as an organic process that won't be stopped until all life to the farthest corners of the universe ceases to exist and only darkness reigns **The Publishers**
