Theory and Practice of Writing William Grabe, Robert B. Kaplan, 2014-09-25 This book undertakes a general framework within which to consider the complex nature of the writing task in English both as a first and as a second language The volume explores varieties of writing different purposes for learning to write extended text and cross cultural variation among second language writers The volume overviews textlinguistic research explores process approaches to writing discusses writing for professional purposes and contrastive rhetoric It proposes a model for text construction as well as a framework for a more general theory of writing Later chapters organised around seventy five themes for writing instruction are devoted to the teaching of writing at the beginning intermediate and advanced levels Writing assessment and other means for responding to writing are also discussed William Grabe and Robert Kaplan summarise various theoretical strands that have been recently explored by applied linguists and other writing researchers and draw these strands together into a coherent overview of the nature of written text Finally they suggest methods for the teaching of writing consistent with the nature processes and social context of writing

Argumentative Writing in a Second Language Alan R. Hirvela, Diane Belcher, 2021-12-13 Argumentative Writing in a Second Language is a collection on teaching argumentative writing offering multiple vantage points drawn from the contributors own teaching and research experiences The value of learning how to compose argumentative texts cannot be overstated and yet very little attention has been allocated to the equally important topic of how argumentation is or can be taught in the L2 context Thus this volume shifts attention to teachers and argumentative writing instruction especially within increasingly common multimodal and digital literacy settings While doing so it provides a comprehensive wide ranging view

of the L2 argumentative writing landscape within an instructional lens Part I of the volume is topic oriented and focuses on explorations of important issues and perspectives while Part II features several chapters reporting classroom based studies of a variety of instructional approaches that expand our understanding of how argumentative writing can be taught The book will be of value to pre service and in service teachers in varying instructional contexts as well as teacher educators and L2 writing scholars researchers

In the Best Interest of Students Kelly Gallagher,2015 What is in the best interest of our students Is it teaching to the newest standards movement like the Common Core Teaching that prepares students to take a test Or is it something more meaningful and authentic In his new book In the Best Interest of Students Kelly Gallagher notes that there are real strengths in the Common Core standards and there are significant weaknesses as well He takes the long view reminding us that standards come and go but what remains constant is the need to stay true to what we know works in the teaching of reading writing speaking and listening Instead of blindly adhering to the latest standards movement Kelly advocates Dialing up the amount of reading and writing students are doing Balancing rigorous high quality literature and non fiction with high interest student selected titles Giving students much more choice when it comes to reading and writing activities Encouraging readers to deepen their comprehension by moving beyond the four corners of the text Using modeling to enrich students writing skills in the prewriting drafting and revision stages Helping young writers to achieve more authenticity through the blending of genres Resisting the de emphasis of narrative and imaginative reading and writing Providing students with more opportunities to sharpen their listening and speaking skills Planning lessons that move beyond Common Core expectations In this provocative and insightful new book Kelly surveys the teaching landscape since the publication of his highly regarded book Readicide and finds that although some progress has been made more needs to be done Amid the frenzy of trying to teach to a new set of standards Kelly Gallagher is a strong voice of reason reminding us that instruction should be anchored around one guiding question What is in the best interest of our students
