**Illusions** Richard Bach, 2012-08-01 In the cloud washed airspace between the cornfields of Illinois and blue infinity a man puts his faith in the propeller of his biplane For disillusioned writer and itinerant barnstormer Richard Bach belief is as real as a full tank of gas and sparks firing in the cylinders until he meets Donald Shimoda former mechanic and self described messiah who can make wrenches fly and Richard s imagination soar In *Illusions* the unforgettable follow up to his phenomenal bestseller *Jonathan Livingston Seagull* Richard Bach takes to the air to discover the ageless truths that give our souls wings that people don t need airplanes to soar that even the darkest clouds have meaning once we lift ourselves above them and that messiahs can be found in the unlikeliest places like hay fields one traffic light midwestern towns and most of all deep within ourselves

*Illusions* Richard Bach, 1989-10 From the New York Times bestselling author of *Jonathan Livingston Seagull* comes a light hearted inspirational account of an encounter with a modern day messiah In *Illusions* Bach takes to the air to discover the ageless truths that make our souls fly showing that people don t need airplanes to soar and that messiahs can be found everywhere

*Illusions II* Richard Bach, 2014 This is the author s account of his near death and recovery from injuries received in the crash of his seaplane Puff in 2012

**One** Richard Bach, 1989-10-02 I gave my life to become the person I am right now Was it worth it Would we change if we knew what waits beyond space and time With *One* the ninth novel from the ever spiritual and imaginative author of *Jonathan Livingston Seagull* Richard Bach continues his quest for a deeper understanding of human nature Although the elements of a great science fiction novel are present the plot is secondary to the novel s theme of humanity s ability to control destiny The Boston Herald If you have ever tried to judge a book by its cover *One* lives up to this question in the headline and more Bach gives the reader much to ponder so much so in some chapters that the thoughtful may be tempted to read no more than a page at a sitting Not because it s cumbersome reading but because the ideas are worth savoring USA Today *One* is a provocative book it gives beautiful hope filled answers Indianapolis News Uplifting Each of the inspirational set pieces preaches the same message of the power of each individual to choose the ways of peace brotherhood and love to live with a reverence for nature and at harmony with the universe Back again displays an inventive imagination and inspirational zeal Publishers Weekly *One* presents a number of provocative speculations What would it be like to meet yourself when you were older or younger How would your life turn out if you had made different choices split up with your spouse been born in a different time and place With love and hope as their guides and what matters most as their destination the Bachs touch down in different times and places where they commune with some of their alternative selves The New York Times Book Review This is a strange and though provoking fantasy from the man who gave us *Jonathan Livingston Seagull* and *Illusions* one that is imaginative playful and in places startling in concept The Anniston Star Instead of soaring and diving through space passengers on this flight must be prepared to cruise slowly making several stops to look at their motivation and lifestyles as the Bachs look at their own Detroit Free Press
