**Jesus is for Liars** Tim Baker, 2010-01-05 Before you turn this book over and begin thumbing through the pages you need to know something This is not one of those books that tells you your life is going to be perfect This isn't a book that will make you feel like Joe or Jane Superchristian And the great thing about that is you're in good company There are no perfect Christians we all struggle If you're honest with yourself you will probably admit that even as you try to follow Jesus you mess up a lot You may even feel like there isn't a lot of room for questions and failures in the Christian faith But the truth is those questions and failures are part of learning to follow Jesus It's time to think outside the box and see that real faith doesn't mean trying to fit into a particular mold real faith means being real with God Jesus is for Liars doesn't shy away from any of the tough subjects it asks the hard honest questions that will let you explore who you are and who God is so you can see that true faith isn't about pretending to be perfect it's about following Jesus just as you are *Camion Blanc* Bruno

converted over a million souls in her own time We are all destined to one or the other says Ven Louis either to reign eternally with God in Heaven or to burn eternally with the devils in Hell This inescapable fact is vividly brought to life on every page of this masterfully written book Utterly realistic with regard to the ultimate end of human life Venerable Louis of Granada presents here the Four Last Things Death Judgment Heaven and Hell even rehearsing with the reader the day of his death and the moment of his judgment His description of the despair in Hell will shake loose any desire by even the most hardened sinner to persevere in sin Man s classic excuses such as planning to convert later and the difficulty of practicing virtue are thoroughly demolished Moreover Ven Louis shows how the sinner s life because of his gnawing conscience is a continual torment to him even while still on this earth Whereas the practice of virtue brings the wonderful promise of Heaven plus the beautiful joy of a clear conscience and the many other marvelous advantages of holiness even here in this life The Sinner s Guide is a book of crystal clarity which cuts through the religious fog so prevalent today It strips away the glamour of sin fortifying the soul for the resolute practice of the Christian virtues those true riches which alone will accompany him beyond the grave     The Sin, the Sinner, the Saint Elizabeth Haines,2005     **A Saint, a Sinner, and a Savior** John B.

Many times we go about our lives and we do not know what the persons around us have been through We become judgemental at times without even thinking about it The stories in this book are true and the experiences are raw I too have had life thrown at me and I have also shared some of my testimony I have also shared some advice on just how we can be better at our lives from my own experiences This short book will help us to understand that we are not above anyone and that we share one common thing in life and that is adversity Sometimes we also need a pick me up when we see that our lives are worth living We may not all have the same experiences but we hurt and we grow We make mistakes and we bounce back
