Journey Of The Angels The Tobias Materials:

Journey of the Angels Geoffrey Hoppe, Linda Hoppe, 2013-05-01 Tobias is the entity who first appeared to Geoffrey Hoppe on an airplane in 1997 Tobias is an angelic being who has lived many lifetimes on Earth and came back through the angelic realms for what he calls the biggest evolution of consciousness humanity has ever experienced He lovingly assists those who are going through spiritual transformations seeking to integrate their divinity with their humanity and rediscovering the God within His spiritual and inspirational messages have been delivered through Geoffrey and Linda Hoppe for many years Journey of the Angels is an allegory told by Tobias through the Hoppes his most powerful and positive statement yet The key to spiritual transformation lies in the absolute surrender to the love of self and in the total acceptance of everything we have chosen to experience in the density of this third dimensional realm Ascension occurred in the moment when I said I Am That I Am and I love everything about myself without shame without guilt without reservation without ifs ands or buts Ascension occurred when I surrendered into who I actually am rather than to the aspects I had created trying to pretend I was something else Ascension occurred when I knew within my heart that I am I always was and I always will be We came to forget to remember and finally to know That s who we are why we are here that is the path we have chosen and our purpose for choosing Tobias

Flowers Alan Tong, 2016-06-08 Who am I Where am I going What is the nature of my reality Philosophy is a tool for your own awakening the profound transformation of awareness beyond the human mind Flowers Philosophy for New Consciousness is a short text on consciousness nature and the context of the human experience This illustrated book explores the themes of spirituality masculinity and femininity human identity love and sex religion and our relationship with the transcendent Written in an aphoristic style Flowers is a book of investigations and observations for human beings who are beginning to

blossom into their divinity Act of Consciousness Adamus Saint-Germain, Linda Benyo Hoppe, Geoffrey Hoppe, 2015-03-20

Life is an act We act like humans and therefore we experience like humans with a litany of limitations shortcomings and drama that mask our underlying angelic consciousness It s an unnatural act that we have come to accept as reality In Act of Consciousness Ascended Master Adamus Saint Germain begins by explaining the metaphysics of energy He defines the difference between consciousness and energy and makes the clear point that we are beings of consciousness not energy and that the passion of our pure consciousness attracts energy from the unified field to manifest our reality Adamus defines the four primary levels of energy including Core soul Crystalline Cosmic and Earth while educating the reader about how the various levels are used by our consciousness to manifest our stage of life Adamus implores the reader to act like a Master rather than acting like a less than perfect human This act will literally change the type of energy being attracted into the reader s life and therefore change the reality theatre one exists within Some readers will question this approach saying It s not real because it s just an act to which Adamus will reply But everything in your life is just an act so why not act like a prosperous healthy and wise Master This will change the theatre of your life but the real question is Are you really ready for a substantial change or are you just trying to tidy up your current stage It s a remarkably simple and effective approach to an otherwise mental and laborious process of becoming your full potential Act of Consciousness will make you laugh make you angry and make you question your old beliefs about how reality is created and experienced By the time you read Saint Germain s last words you will cry a few tears of joy and relief to know that life is as easy as an Act of Consciousness Saint Germain had many notable past lives including that of William Shakespeare and Mark Twain Samuel Clemens These lifetimes gave him an appreciation for the theatre acting and story telling Book length Approximately 30 000 words **Memoirs of a Master** Geoffrey Hoppe, Adamus Saint-Germain, 2016-11-17

Memoirs of a Master is a book of short stories told by Adamus Saint Germain as part of his lectures to audiences around the world The stories are based on or inspired by actual experiences and are designed to help you see yourself as both the Master and the student The student in each memoir is generally a compilation of many people and the stories take place in contemporary life The Master can be perceived as Adamus or any other enlightened teacher but ultimately it is you The stories are based on some of the more complex teachings of Adamus Saint Germain By putting this sacred information into story form it becomes more personal more understandable and perhaps more entertaining And woven into each story you will find profound insights and many layers of wisdom Memoirs of a Master is dedicated to the Master and the student within each of us **The Angels** Pascal P Parente, 2020-05-19
