Julios Day Gilbert Hernandez:

Julio's Day Gilbert Hernandez, 2013-04-20 It begins in the year 1900 with the scream of a newborn It ends 100 pages later in the year 2000 with the death rattle of a 100 year old man The infant and the old man are both Julio and Gilbert Hernandez s Julio s Day originally serialized in Love and Rockets Vol II but never completed until now is his latest graphic novel a masterpiece of elliptical emotional storytelling that traces one life indeed one century in a human life through a series of carefully crafted consistently surprising and enthralling vignettes There is hope and joy there is bullying and grief there is war so much war this is after all the 20th century there is love there is heartbreak This is very much a singular standalone story that will help cement Hernandez s position as one of the strongest and most original cartoonists of this or any other century

Love and Rockets Gilbert Hernandez, Jaime Hernandez, 2012-10-10 How do you follow up a one two punch like Jaime Hernandez s stunning two part masterpiece The Love Bunglers from LRNS 3 and 4 which sent Maggie and Ray s relationship in a startling new direction as well as providing some mind blowing revelations about Maggie s and her family s past If you re Jaime you deftly move sideways and switch focus to other characters specifically Ray s ex the rambunctious Frogmouth In Crime Raiders International Mobsters and Executioners Muneca the Frogmouth s half sister comes to visit for a weekend and sees what kind of life the Frog Princess is living with Reno and Borneo as well as a brand new character or two On the other brother side Gilbert Hernandez celebrates the 30th anniversary by bringing one of his current characters Killer granddaughter to the legendary Luba into the Palomar milieu in a story that showcases a fictionalized movie Palomar starring Fritz as a combination of Luba and Tonantz n even as it brings back a number of the classic Palomar characters for real This will be a much anticipated homecoming for fans of the classic Love and Rockets of the 1980s Thirty years in Love and Rockets continues to surprise and delight

The Love and Rockets Companion Marc Sobel, Kristy Valenti, Gilbert Hernandez, Jaime Hernandez, 2013-08-03 The Love and Rockets Companion 30 Years and Counting contains three incredibly in depth and candid interviews with creators Gilbert Jaime and Mario Hernandez one conducted by writer Neil Gaiman Coraline one conducted some six years into the comic s run by longtime L and one conducted by the book s author spanning Gilbert s Jaime s and Mario s careers and looking to the future of the ongoing series with a follow up conversation with Groth This book has foldout family trees for both Gilbert s Palomar and Jaime s Locas storylines unpublished art a character glossary which is handy considering that Gilbert alone has created 50 characters highlights from the original series anarchic letters columns timelines and the most wide ranging Hernandez Brothers bibliography ever compiled including album and DVD covers posters and more

The Hernandez Brothers Enrique García, 2017-07-18 This study offers a critical examination of the work of Gilbert and Jaime Hernandez Mexican American brothers whose graphic novels are highly influential The Hernandez brothers started in the alt comics scene where their Love and Rockets series quickly gained prominence They have since published in more mainstream venues but have maintained an outsider status based on their

own background and the content of their work Enrique Garcia argues that the Hernandez brothers have worked to create a new American graphic storytelling that while still in touch with mainstream genres provides a transgressive alternative from an aesthetic gender and ethnic perspective The brothers were able to experiment with and modify these genres by taking advantage of the editorial freedom of independent publishing This freedom also allowed them to explore issues of ethnic and gender identity in transgressive ways Their depictions of latinidad and sexuality push against the edicts of mainstream Anglophone culture but they also defy many Latino perceptions of life politics and self representation The book concludes with an in depth interview with Jaime and Gilbert Hernandez that touches on and goes beyond the themes explored in the book

The Oxford Handbook of Latino Studies Ilan Stavans,2020 At the beginning of the third decade of the 21st century the Latino minority the biggest and fastest growing in the United States is at a crossroads Is assimilation taking place in comparable ways to previous immigrant groups Are the links to the countries of origin being redefined in the age of contested globalism The Oxford Handbook of Latino Studies reflects on these questions offering a sweeping exploration of Latinas and Latinos complex experiences in the United States Twenty four essays discuss various aspects of Latino life and history from literature popular culture and music to religion philosophy and language identity

Picturing the Barrio David William Foster,2017-07-19 Mexican American life like that of nearly every contemporary community has been extensively photographed Yet there is surprisingly little scholarship on Chicano photography Picturing the Barrio presents the first book length examination on the topic David William Foster analyzes the imagery of ten distinctive artists who offer a range of approaches to portraying Chicano life The production of each artist is examined as an ideological interpretation of how Chicano experience is constructed and interpreted through the medium of photography in sites ranging from the traditional barrio to large metropolitan societies These photographers present artistic as well as documentary images of the socially invisible They and their subjects grapple with definitions of identity as well as ethnicity and gender As such this study deepens our understanding of the many interpretations of the Chicano experience
