### The Purpose of the SBA Project

It is the view of CXC and Mathematics Teachers across the region that students are not transitioning fluently enough from "School Math" to real world applications. This has caused many governments to invest and train members of the education systems in the delivery of STEAM and STEAM approaches in an attempt to bridge that gap between the real world and the classroom.

The Mathematics SBA is an attempt by CXC to bridge that same divide and however that real world, everyday mathematics to the theoretical concepts discussed in the classroom. In CXC's own words, the project may require
