**Around Hong Kong 711 Way** English Lawrence Mateo Shiu, 2025-03-19 Between October and December 2007 out of boredom I suddenly had an idea and decided to visit every 7 Eleven store in Hong Kong Over the course of 60 days I covered 801 stores across the city At the time it was estimated that there were a total of 820 7 Eleven stores in Hong Kong However I chose to stop at 801 stores because some locations were simply impossible to find

Additionally I had a sense that with new 7 Eleven stores opening almost daily in Hong Kong I would never have the chance to stop if I didn't pick a point to end Besides 801 and 820 are not too far apart in number and 801 has a pleasant ring to it I consider myself a highly persistent person but walking through all of Hong Kong and finding every 7 Eleven store truly required immense determination I came up with a method to strengthen myself years ago I volunteered at a charity organization and had maintained a good relationship with them ever since Inspired by certain fundraising methods abroad I decided to donate HK 10 to this charity Crossroads International For every 7 Eleven store I visited As a result I found 801 stores and raised HK 8 010 These funds were mainly contributed by 7 Eleven itself as well as my supportive family and friends
