heroes He slogged it out in London based pub bands for years long before Def Leppard transformed from unknowns to icons from playing openers in near empty arenas to headlining in those same stadiums But as Collen discovered true overnight success is a myth Like the other band members he had to struggle and fight his way to the top in the end he says our work ethic saved us This is Collen s story an underdog tale featuring a bunch of ordinary working class lads who rose to mega stardom and an account of the failures triumphs challenges and rock hard dedication it takes to make dreams come true Adapted from book jacket Def Leppard Chris Collingwood,1994 **Def Leppard** Chris Welch,1984
