By Referral Only Lyla Payne, 2013-06-27 After being unceremoniously dumped freshman year because of her family s new money status Ruby Cotton has taken care not to put her heart on the line No matter how enticing Emilie and Quinn make it look relationships are scary and hard while a string of flings is easy and fun That s what Ruby wants Easy and fun The only problem is when it comes to satisfaction in the sack most of the boys at Whitman are nothing but pretty window dressing and false advertising Ruby takes it upon herself to make campus life more fulfilling creating a referral database that allows female students to rate their sexual experiences thereby informing girls of what they re getting into before agreeing to a date When her acting partner Liam Greene finally

shows some interest Ruby figures she won't need to utilize the helpful gossip He's handsome fun and most importantly not a guy she'd ever fall for hard enough to let him break her heart Not only that but dating Liam gives Ruby the perfect excuse to say no to Cole Stuart As a star swimmer and heir to honest to God Scottish royalty Cole sits at the top of Whitman's A list but he's also the lowest rated referral on Ruby's website The ratings make rejecting his repeated requests for a date a no brainer but her real reason for avoiding Cole runs deeper than a string of unsatisfied exes He's gorgeous he oozes sweetness and charm and the electricity between them could power half of Whitman but Ruby knows it will only last until his family or friends convince him she's not good enough Before she knows it she's falling anyway waiting for the other shoe to drop but clinging to a tentative hope that Cole might be as different as he seems When the secret behind his low ratings comes to light that hope is torn apart and Ruby wonders if she was right to give him her heart and whether she has the strength to let him keep it

What the Children Said Jeanne Pitre Soileau, 2021-08-23 Winner of the 2022 Opie Prize Jeanne Pitre Soileau vividly presents children's voices in *What the Children Said* Child Lore of South Louisiana Including over six hundred handclaps chants jokes jump rope rhymes cheers taunts and teases this book takes the reader through a fifty year history of child speech as it has influenced children's lives *What the Children Said* affirms that children's play in south Louisiana is acquired along a network of summer camps schoolyards church gatherings and sleepovers with friends When children travel they obtain new games and rhymes and bring them home The volume also reveals in the words of the children themselves how young people deal with racism and sexism The children argue and shout one another policing their own conversations stating their own prejudices and vying with one another for dominion The first transcript in the book tracks a conversation

among three related boys and shows that racism is part of the family interchange Among second grade boys and girls at a Catholic school another transcript presents numerous examples in which boys use insults to dominate a conversation with girls and girls use giggles and sly comebacks to counter this aggression Though collected in the areas of New Orleans Baton Rouge and Lafayette Louisiana this volume shows how south Louisiana child lore is connected to other English speaking places England Scotland Ireland Australia and New Zealand as well as the rest of the United States

When Angels Gather Stan L. Guyer, 2021-07-28 When Mykel returns home to his family and friends he must now meld his new family into that life As some of their new friends join them there and in new ventures his family now has to deal with a father and grandfather who is now forty years younger than when he left them Their father and grandfather is also married with two more children and will probably outlive them all by many years Even as things in their world begin to settle down Mykel is pulled away to unite others involved in that clandestine heavenly project This will take him and others on a search around the globe When all is said and done Mykel and Nichole warmly weave together wayward members of a heavenly ordained project Yet still when a remnant of a long forgotten evil rears its head once again it claims an angelic prince So angels must gather in a final thunderous conflict

The Dramatic Art of Athol Fugard Albert Wertheim, 2000 Albert Wertheim's study of Fugard's plays is both extremely insightful and beautifully written a book that held my attention from beginning to end It was a pleasure to read Wertheim succeeds in communicating the greatness of Fugard as a playwright actor and director He also conveys well what Fugard has learned from other plays and dramatists Thus he places Fugard's works not so much in a South African context as in a theatrical context He also illuminates his interpretations with the help of Fugard's manuscripts previously available only in South Africa This book is aimed not only at teachers students scholars and performers of Fugard but also at the person who simply loves going to see a Fugard play at the theatre Nancy Topping Bazin Eminent Scholar and Professor Emeritus Old Dominion University Considered one of the most brilliant powerful and theatrically astute of modern dramatists South African playwright Athol Fugard is best known for *The Blood Knot* *MASTER HAROLD* and *the boys* *A Lesson from Aloes* and *Sizwe Bansi Is Dead* The energy and poignancy of Fugard's

work have their origins in the institutionalized racism of his native South Africa and more recently in the issues facing a new South Africa after apartheid In *The Dramatic Art of Athol Fugard* Albert Wertheim analyzes the form and content of Fugard's dramas showing that they are more than a dramatic chronicle of South African life and racial problems Beginning with the specifics of his homeland Fugard's plays reach out to engage more far reaching issues of human relationships race and racism and the power of art to evoke change *The Dramatic Art of Athol Fugard* demonstrates how Fugard's plays enable us to see that what is performed on stage can also be performed in society and in our lives how inverting Shakespeare Athol Fugard makes his stage the world *The Crescent of Gamma Phi Beta* ,1921 **Urban Philosophy** Jarvis Price,2008-01-15 Life has its trials and tribulations moments that make us liberated flying as free as birds internally and days where breathing isn't as easy as it seems sadly Still we must live every day one emotion at a time in hopes that our life will be worthy of remembering *Urban Philosophy* is as much of an auto biography as it is a testimony in front of a congregation in an attempt at mutual understanding **Karma Klub Journals Book2** Katherine Snitker,2013-01-17 Rejoin Kat and the Karma Klub Kids in Book 2 *The Psychic Connection* where they voyage into their teenage years taking their psychic studies to a new and heightened level Read what it's like to get a Past Life Reading and receive advice from the spiritual world Join their roller coaster ride with destiny leading them all into their futures and a brave new world of enlightenment A seeker of the Metaphysical for most of her life the author shares through her story of the Karma Klub kids psychic readings and events from her own sojourn through this lifetime Now residing in Fort Myers Florida she can visit and enjoy great places like Cassadaga and the Coral Castle **A Good Place For Maniacs** Chuck McKeever,2020-04-14 Looking to make a radical change in his life English teacher Chuck McKeever decides to hike the 2 650 mile Pacific Crest Trail The only problem he's never backpacked for more than a weekend before Along this winding path from Mexico to Canada he meets colorful characters bears witness to some of America's most beautiful scenery and learns unforgettable lessons about fear perseverance and the power of community Set against the backdrop of the 2016 presidential election *A Good Place for Maniacs* is a timely reminder that everything in American life is inherently political and that no one ever really does anything great alone *Catalog of Copyright Entries* Library of Congress.
